NEXUS2 Installation File

The NEXUS2 installation file is

nexus2.1.exe

. Save this file to your machine and install from there; admin rights required.

Alternatively, you may download

NEXUS21.zip

which contains the installation program plus the associated readme.txt and releasenotes.txt files.

No Warranty

Because NEXUS 2.1 is licensed free of charge, there is no warranty for the program, to the extent permitted by applicable law. Except when otherwise stated in writing, the copyright holders and/or other parties provide the program "as is" without warranty of any kind, either expressed or implied, including, but not limited to, the implied warranties of merchantability and fitness for a particular purpose. The entire risk as to the quality and performance of the program is with you. Should the program prove defective, you assume the cost of all necessary servicing, repair, or correction.

In no event unless required by applicable law or agreed to in writing will any copyright holder, or any other party who may modify and/or redistribute the program as permitted above, be liable to you for damages, including any general, special, incidental, or consequential damages arising out of the use or inability to use the program (including, but not limited to loss of data or data being rendered inaccurate or losses sustained by you or third parties or a failure of the program to operate with any other programs), even if such holder or party has been advised of the possibility of such damages.
