1. student	2
2. Membership in registered student groups on campus should be open to all students	3
3. Registered student groups on campus should be able to exclude students who don't agree with mission statement	4
4. Types of registered student groups that should be able to exclude students	5
5. Registered student groups on campus should be able to deny leadership positions to students who don't agree with mission statement	9
6. Students who disagree with mission of a registered student group should be able to join the group to change group's mission	10
7. Students at my college or university should be excluded from extracurricular activities if publicly express offensive viewpoints	11
8. Groups with missions that certain students find offensive should be able to register as student groups	12
9. College or university should be able to deny recognition to single-gender student group because group excludes students based on gender	13
10. Students at my college or university should be able to join single-gender student groups not recognized by the university	14
11. College or university should be able to punish students who join single-gender groups that are not recognized by the university	15
12. Student government should charge students a student activity fee that will be used to fund registered student groups and on-campus events	16
13. Students should be able to 'opt out' of a student activity fee if they do not want to fund registered student groups and on-campus events	17
14. Students who choose to 'opt out' of the student activity fee should still be able to participate in registered student groups and events that receive funding from student activity fee	18
15. Students should be able to choose which registered student groups their student activity fee funds/does not fund	19
16. Student government should distribute student activity fees to registered student groups on campus without regard to the mission of the student group	20
17. Student government should not distribute student activity fees to registered groups with missions that certain students find offensive	21
18. Discrimination against minority groups a major problem in America today	22
19. Students should have right to offensive speech	23
20. More important priority for college administration	24
21. Climate on my campus makes it difficult for students to have conversations about important issues	26
22. Discrimination against members of minority groups is a major problem on my campus	27
23. Important to be part of a campus community where not exposed to intolerant or offensive ideas	28
24. Important that my college or university encourages students to have public voice and share ideas openly	29
25. Freedom of assembly is right/liberty	30
26. Voting is a right/liberty	31
27. Freedom of speech is a right/liberty (randomized)	32
28. Important that my civil liberties are protected	33
29. Likelihood hashtag	34
30. Important that my civil rights are protected	35
31. Difference between civil rights and civil liberties	36
32. Most important civil right or liberty	37
33. Remember news reports about protest in Charlottesville	39
34. Perception of event	40
35. Did event change how think about speech and expression on campus	41
