It is a violation of the Student Code of Conduct to join or affiliate with these groups.

Students who pledge, join, accept membership, affiliate in any way, or seek to perpetuate a banned organization are subject to judicial referral and potential suspension or expulsion.

Delta Kappa Theta (DK) fraternity and Sigma Gamma Phi (Arethusa) sorority are recognized by SUNY Potsdam but, are not permitted to take new members during the Fall 2019 semester.

Finally, there are several organizations in the area that are unrecognized. These include, but are not limited to, Beta Tau (BT), Delta Lambda Nu (Delta), Delta Tau Tau (DTT), DOD, Epsilon Omega (EO), Gamma Sigma Sigma (Gamma Sig), Lambda Sigma Upsilon (LSU), Phi Kappa Sigma (Phi Kap), Psi Phi Epsilon (Psi Phi), Sigma Lambda Gamma (SLG), Tau Delta Kappa (TDK), and Theta Omega Phi (Prometheus). Because unrecognized organizations have no obligation to the College and its policies and procedures affiliation with these groups is discouraged and could result in charges through the student conduct system. In addition, these groups are not permitted to participate in any campus activities.
