Dear Sabrina Conza,

The San Diego Community College District provides the following response to your September 29, 2022 letter addressed to San Diego Mesa College President Dr. Ashanti Hands:

“The San Diego Community College District has a deep commitment to an institutional culture that values and respects academic freedom, as reflected in Board Policy 4030. Any investigation into an allegation of a policy violation occurring in instructional activities or content is conducted carefully to ensure academic freedom is maintained and the individuals involved understand their right to academic freedom within the District’s policies. The District’s inquiry into the current matter has been concluded.”

Sincerely,

Jack Beresford

Director of Communications and Public Relations
