# CORE STANDARDS AND BEHAVIORAL EXPECTATIONS

## Core Standards for Student Conduct at OU

- **Integrity:** Students should exemplify honesty, honor and a respect for the truth in all of their activities.
- **Community:** Students should build and enhance their community.

- **Respect:** Students should show positive regard for each other, for property and for the community.
- **Responsibility:** Students should be given and accept a high level of responsibility to self, to others and to the community.

The following sections generally describe the types of behavior that violate OU's core standards of conduct. Students and student organizations who attempt to violate, conspire to violate and/or violate any of these standards, any OU Policies and/or any Applicable Law are subject to sanctions as described in this SCC.

The SCC will not be applied or construed to prohibit or restrict conduct or activities to the extent that they are protected by the United States Constitution, the State of Michigan Constitution or Applicable Law.

## Integrity

---

1. **Integrity: Students and student organizations should exemplify honesty, honor and a respect for the truth in all of their activities. Conduct that violates this standard includes, but is not limited to:**
  - a. **Falsification.** Knowingly creating, furnishing, possessing or otherwise using any false, falsified or forged materials, documents, accounts, records, identification or financial instruments; or, misrepresentation of documents submitted to any office, OU official, or any individual acting on behalf of OU.
  - b. **Academic Dishonesty.** Acts of academic dishonesty as outlined in OU's Code of Academic Integrity.
  - c. **Unauthorized Access.** Unauthorized access to any OU building, OU property, or property belonging to others; or, unauthorized possession, duplication or use of means of access to any OU building (i.e. keys, cards, etc.); or, failing to timely report a lost OU identification card or key; or, use of any OU facility, real or personal property, or equipment for anything other than its intended or authorized purpose.
  - d. **Collusion or Conspiracy.** Action or inaction taken together with one (1) or more other persons to commit, or attempt to commit, a violation of the SCC or any other OU Policies and/or any Applicable Laws.
  - e. **Stolen Property.** Intentional and unauthorized taking of OU property or the personal property of another, including without limitation goods and other valuables; or, knowingly taking or maintaining possession of stolen property.

## Community

---

**2. Community Responsibility: Students and student organizations should build and enhance their community. Conduct that violates this standard includes, but is not limited to:**

- a. **Disruptive Behavior.** Conduct that has the purpose or effect of disrupting, or interfering with the requirements or operations of any OU academic or non-academic activities or operations, including without limitation teaching, learning, research and/or administration. Disruptive behavior also includes causing, inciting or participating in any disturbance that endangers the health or safety of any person, causes physical harm to any person, or threatens or causes damage to and/or destruction of any property.
- b. **Failure to Vacate.** Refusing to vacate an OU building, property, sidewalk, street, or other facility or area when directed to do so by an authorized OU official.
- c. **Trademark.** Unauthorized use (including misuse) of OU or organizational names, logos, trademarks, copyrights and/or images.
- d. **Damage and Destruction.** Intentional, reckless and/or unauthorized damage to or destruction of OU real or personal property and/or the personal property of another.

No person shall possess a toy weapon on the campus with the intention or effect of using such a toy weapon to threaten, assault, intimidate or otherwise injure any other person.
- h. **Fire Safety.** Violation of OU Policies and/or Applicable Law regarding fires or fire safety including, but not limited to:
  - i. Intentionally or recklessly causing a fire;
  - ii. Failing to evacuate OU buildings or facilities during a fire alarm or evacuation drill;

- c. **Hazing.** Any act that endangers the mental or physical health or safety of a person, or that destroys or removes public or private property, for the purpose of initiation, admission into, affiliation with, or as a condition for continued membership in a group or organization. Participation or cooperation by the person(s) being hazed does not excuse the violation. Failing to intervene to prevent and/or failing to discourage and/or failing to report those acts may also violate this standard.
- d. **Retaliation.** Actions, statements or other conduct that intimidates, threatens or coerces a person in any way because he/she has reported misconduct or participates in an investigation or adjudication of misconduct.
