Student Development Campus Life

Montclair State University recognizes its responsibility to foster an atmosphere of respect, understanding and good will among individuals and groups, with special sensitivity to those most likely to be subjected to disrespect, abuse and misunderstanding because of age, disability, ethnicity, gender, gender identity or expression, national origin, race, religion, and sexual orientation. The goal is to create an unbiased community where all individuals feel free to express themselves in ways that are appropriate in a multi-ethnic and multi-cultural society and to pursue their work and study in an atmosphere which values individuality and diversity.
