Chalking and Posting on Campus

Chalking on Campus

Chalking is permitted in three areas on campus at this time: Salazar Plaza, Seawolf Plaza, and in front of Stevenson Hall facing the Main Campus Quad. Keep in mind that chalking must be at least 20 feet away from the building entrances, and may not be on any sidewalk under an overhang, canopy, or other cover.

No chalking is permitted on buildings, steps, windows, posts, lawn areas, railings, trees, traffic control signs, utility poles, construction fences, vehicles, in newly planted garden areas, flowerbeds, or newspaper racks. In addition, no chalking is permitted on campus directories, within lake or fountain areas, trash or recycle bins, or campus gardens.

The form or chalk must be washable with water. Spray chalk is NOT allowed.

You [must register](#) to do chalking on campus.

Posting on Campus

Guidelines for posting flyers and posters around campus.

- Flyer Approval Required
 - All flyers must be approved by your Student Involvement Club Advisor before posting.
- Location Restrictions

- Residence Halls: Submit 30 copies of your approved flyer to the Student Involvement office. Flyers are posted on Mondays, so make sure to submit them by the previous week.
- Academic Buildings: Flyers can only be posted on general poster boards (not department-specific or faculty boards).
- Important Notes:
 - Only 1 flyer per board to avoid overcrowding.
 - No posting in unauthorized areas.

Follow these rules to ensure your flyers are posted properly!
