LINCOLN UNIVERSITY SATISFACTORY ACADEMIC PROGRESS

Satisfactory Academic Progress (SAP) denotes a student's successful completion of coursework toward a degree. The Higher Education Amendment Act of 1965, as amended, mandates institutions of higher education to establish a minimum standard of "Satisfactory Academic Progress (SAP)" for students receiving federal financial aid. Lincoln University makes its standard applicable to all federal, state, and institutional funds. Academic progress applies to all terms regardless of whether financial aid was received. Satisfactory Academic Progress will be evaluated for all students (full or part-time) at the end of each semester. Graduate accelerated programs will be monitored upon completion of each academic session within the semester. Students can review their SAP progress in the Lincoln University Self-Service to monitor their academic progress. Information can be found on the financial aid portal of self-service.

All graduate students must maintain the following minimum requirements to be in compliance with SAP:

- Complete a minimum of 67% of cumulative attempted credits for federal aid (standard rounding rules apply), measured at the end of each semester.
- Program completion within a maximum time frame can range from 50 -74 attempted credits depending upon the graduate program. Please see the University Catalog for details about program specific credit requirements.
- Have a minimum cumulative grade point average (GPA) of 3.0 or greater at the end of each semester.

To continue to be eligible for financial aid, students must meet ALL requirements outlined above. After reviewing the full policy below, students should contact a financial aid counselor if unsure of the requirements for maintaining academic progress.

Cumulative Credit Hours

Graduate students must successfully complete a minimum of 67% of the cumulative credits attempted to be on pace to complete their degree within the maximum time frame. The percentage of completion needs to meet or exceed 67%. Successful completion of a course means the student received a grade of C or better in their course work.

To calculate, multiply the total number of attempted hours by 67 (rounded downward to the nearest whole number). As an example, if a student attempted 30 credit hours, the student must complete a minimum of 23 credit hours ($30 \times .67 = 23$) to ensure SAP for the year. Students can view cumulative credit hours progress in the Lincoln University Self-Service. Information can also be found on the financial aid portal of self-service.

Maximum Time Frame for Degree Completion

All graduate students are expected to complete their degree program within a maximum time frame, which cannot exceed 150% of the average credits needed to complete the degree program. This means that students enrolled in any graduate program at Lincoln University must have a maximum time frame of 50 - 74 credits depending on their academic program of study. Graduate students, whether part-time or full-time, must satisfy degree completion (statute of limitation) within five (5) years from the date of admission to the School of Adult & Continuing Education.

Cumulative GPA (Grade Point Average) Requirements

Graduate students must maintain a minimum grade point average of 3.0 cumulative GPA. The Office of Financial Aid will monitor for at least a 3.0 GPA at the end of each semester. Students can view cumulative credit hours progress in the Lincoln University Self-Service. Information can be found on the financial aid portal of self-service.

Withdrawal (W) Grade

A “W” grade which is recorded on the student’s transcript will be included as credits attempted and will have an adverse effect on the student’s ability to maintain SAP. Students who officially withdraw from the University must make up the deficit hours and are encouraged to attend summer school to remove the deficient hours. The successful completion of a course is defined as receiving one of the following grades: A, B, or C. Courses with grades of F, I, U and W will not qualify in meeting the minimum standard.

Incomplete (I) Grade

An incomplete grade indicates that a student has not finished all the coursework required for a grade and is included in the cumulative credits attempted. An incomplete will count toward attempted hours but not as hours passed until a final grade is posted in the Registrar’s Office.

Repeated Courses

A student who received a failing grade in a required course at the University must repeat and pass the course unless otherwise indicated by the Registrar or Provost. Graduate students may only receive federal financial aid for one repetition (repeat) of a previously passed course. Students who have already passed a course with a grade of a C or better may only repeat the class one additional time and receive financial aid for that course. All repeated courses are included in the total attempted hours for SAP evaluation.

Change of Program

A student who attended a graduate program at SACE wants to transition to a new academic program, the student should apply to the new program. A SACE undergraduate student may change from one program to another during attendance at Lincoln University. Students who change from one major to another are still expected to maintain Satisfactory Academic Progress and complete the course work within the time frame or hours limitation stated unless an appeal is approved. All completed hours from a prior program are included in the total completed hours.

Audited Courses

Audited courses do not count as either attempted or earned hours.

Hours Enrolled

The number of credit hours in which the student is enrolled on the day following the published last day to add/drop a class will be used as official enrollment for financial assistance purposes; full-time status is 9 or more hours. If a student withdraws from classes after the last day to add/drop a course, they may not meet the minimum number of hours to be earned in one academic year.

Re-Enrolled Students

Re-enrolled students will be reviewed on their previous academic records to determine eligibility for assistance, regardless of whether financial aid was received. Re-enrolled students not maintaining SAP must submit a letter of appeal through the appeal process outlined below. Students who have been placed on Academic Suspension or Dismissal from the University must meet the Satisfactory Academic Policy (SAP) once they are re-enrolled. Re-enrolled students are not automatically eligible for financial aid if they do not meet the standard; they have an option to submit an appeal.

Appeal Procedure

Students not meeting Satisfactory Academic Progress may appeal for consideration of financial aid. To appeal for the reinstatement of financial aid eligibility, students should complete and submit the Satisfactory Academic Progress appeal form to the Office of Student Financial Aid indicating the extenuating circumstance(s) (personal illness, injury, medical problems, undue hardship, death of immediate family member, or other unforeseen circumstances) that may have prevented the student from performing at their academic best. The appeal form must be accompanied by supporting documents and an Academic Action Plan approved by the student’s academic advisor. **All appeals must be submitted through Lincoln University Self-Service to be reviewed.**

A complete appeal consists of the following:

- A written and signed statement explaining the unforeseen circumstances which caused the

student to fail academic progress. Furthermore, the student must state how the circumstances have changed and what steps will be taken to improve their academic progress.

- Official supporting documentation that corroborates the circumstances explained in the appeal letter. Documentation must be specific to the terms in which the student did not meet the SAP requirements.

Incomplete appeals will be REJECTED. The appeal letter alone is NOT considered supporting documentation.

Examples of valid reasons for an appeal include: The death of an immediate relative, an injury or illness of the student, or other special circumstances that can be documented.

Examples of valid supporting documentation include: Statement from physician on letterhead with date stamp, death certificate, police reports, signed witness statements or testimonials that speak to the extenuating circumstances.

Examples of invalid reasons for an appeal include: Change of program, personal conflict not explained and documented, and/or the need for financial assistance.

Students will be notified in writing of the appeal decision. Students who are granted an appeal and do not meet the requirements are placed on financial aid suspension until Satisfactory Academic Progress is achieved. **All Decisions are FINAL.** Toward the middle of the Fall and Spring semester, the Office of Financial Aid will send an email to students on academic suspension, reminding students of their standing and the actions to be taken once grades have been posted at the end of the semester. The Office of Financial Aid will make every effort to promptly notify students of the award's cancellation and academic progress status.

LINCOLN UNIVERSITY ACADEMIC STANDING POLICY

The Office of the Registrar monitors students' academic standing and applies statuses of Good, Warning, Probation and Dismissed based on policy statements contained herein. When warranted, academic standing will be revised following the fall and spring semesters. **Academic Standing is not revised as a result of grades earned during summer sessions.**

Academic Standing Policy for Undergraduate Students

A student on Academic Probation must meet with their advisor to develop an academic plan that includes a listing of courses to be taken and support services for the purpose of raising the cumulative GPA to an acceptable level.

A student placed on Academic Probation (has attempted a minimum of 30 credits and has a cumulative GPA below 2.0) may not enroll in more than 13 credits during a semester or seven credits during a summer session without written permission from their academic advisor. To see policy on restricted student activities while on academic probation, please see the student handbook.

Any re-admitted student (having achieved at least the minimum cumulative GPA listed in the table below but still below the Good Standing criterion of 2.0 cumulative GPA will be placed on Academic Probation and is subject to the conditions assigned to this designation.

Upper class students are placed on Academic Probation in August when their cumulative GPA falls below 2.0 and they have attempted a minimum of 30 credits. To see policy on restricted student activities while on academic probation, please see the student handbook. The occurrence of Academic Warning, Academic Probation or Academic Dismissal is not recorded on the transcript of a student.

Students who have been dismissed will receive a Notice of Dismissal from the university. That notice will describe the procedures for appealing the dismissal. It is the student’s responsibility to keep abreast of their academic standing and to be proactive in any appeal process.

Students who have been dismissed and believe extenuating circumstances affected their academic performance may submit a formal letter of appeal and supporting documentation to the Committee on Admissions, Academic Standing & Financial Aid (AAFA) in care of the Office of the Registrar.

The academic decision of the AAFA Committee is final and not subject to further review. The Office of the Registrar or their designee will provide the appellant with a letter stating the decision of the committee and terms (if any) for future action. Examples of such terms may include a reduced credit load, the repeat of coursework, and the active seeking of assistance from student success.

Academic Standing Policy for Graduate Students

All graduate students are subject to the academic standing rules addressed in this policy. The Office of the Registrar monitors students' academic standing and applies statuses of Good, Probation and Dismissed based on policy statements contained herein. Academic standing will be calculated and applied following each semester including summer.

Students on academic probation are encouraged to discuss their status with their academic advisors. The occurrence of Academic Probation or Academic Dismissal is not recorded on the transcript of a student.

1. **Good Academic Standing** – Good standing is the absence of any contingency that would result in the student's being on academic probation or academic dismissal.

2. **Academic Probation** – Academic probation describes the standing of a student at the graduate level who is in one of the following categories:

- a. A student who fails to achieve a cumulative grade point average after any semester of 3.0 or higher.
- b. A student who has been reinstated following academic dismissal. Academic probation is cleared only when none of the above criteria apply and when the student achieves an overall grade point average of 3.0 as a graduate student at Lincoln University.

3. **Academic Dismissal** – Academic dismissal occurs when:

- a. A student doesn't meet a minimum cumulative grade point average of 3.0
- b. A student is on probation a second consecutive semester.

Students that have been dismissed will not be permitted to continue in their program. Any re-admitted student below the Good Standing criterion of 3.0 cumulative GPA will be placed on Academic Probation and is subject to the conditions assigned to this designation.

Graduate Academic Dismissal Appeal

Students who have been dismissed will receive a "Notice of Dismissal" from the Office of the Registrar. That notice will describe the procedures for appealing the dismissal. It is the student's responsibility to keep abreast of his/her academic standing and to be proactive in any appeal process. Students are not allowed more than two appeals at the graduate level. Failure to meet academic standards beyond the second appeal will result in automatic dismissal from the institution.

Students who have been dismissed and believe extenuating circumstances affected their academic performance may submit a formal letter of appeal and supporting documentation to the Committee on Admissions, Academic Standing & Financial Aid (AAFA) in care of the Office of the Registrar. The academic decision of the AAFA Committee is final and not subject to further review. The Office of the Registrar or their designee will provide the appellant with a letter stating the decision of the committee and terms (if any) for future action. Examples of such terms include a reduced credit load, the repeat of coursework, and the active seeking of assistance from student success.

LINCOLN UNIVERSITY OFFICE OF THE BURSAR

The Bursar's office is responsible for billing the student accounts and collection of tuition, fees, and miscellaneous account receivables. We strive to office efficient processes that will benefit both the students and parents.

Bursar Student Account Policy

The official Lincoln University financial policy states that all students must have a zero balance on their student account. An unpaid balance will not be carried over to the next semester. Students not in compliance with policy will have a financial hold placed on their account and future courses will be dropped. Unregistered students will not be authorized to attend classes, remain in University housing, or purchase a meal plan.

Management of Student Finances

While it is recognized that in most instances parents are responsible for paying some or all of the educational expenses, any balances owed are in the name of the student and it is the student's responsibility to keep anyone assisting them with their balances informed of financial requirements. The Family Education Rights and Privacy Act of 1974 prevents the university from discussing balance information with anyone but the student unless there is a FERPA form on file with the Registrar office.

Bill information is available via Self-Service to view at any time. Students will NOT be notified every time a charge or payment is added to their bill. It is the responsibility of the student to monitor their account balances regularly for any changes to their balances owed.

Financial clearance

For every student, Financial Clearance (FC) means demonstrating your intent to pay all:

- Tuition
- Fees
- Room and Board
- Meals
- Other related charges for a given semester

Financial clearance can mean different things for different students. For some, it may mean creating a payment plan. For others, it may mean completing the FAFSA, and/or submitting proof that a third party such as the VA, Voc. Rehab, an employer, 529 plan, or other third-party payer is paying all or a portion of their semester charges.

FC does not mean that you have to be paid in full by the payment due date to be cleared to attend classes and/or reside on campus. It simply means that each student should take the required steps necessary to either pay their charges in full or make arrangements to cover their total LU charges for the given semester.

The status of financial clearance is subject to change during the semester if the student's aid or payments status change. It is the responsibility of the student to monitor their self-service and make proper arrangements to take care of any balances prior to registering for the next semester.

Are Financial Aid & Financial Clearance the same? Financial aid and financial clearance are NOT the same.

If you are planning to use financial aid to help cover expenses, financial clearance happens AFTER your financial aid package is completed. This will include submitting all required paperwork; accepting or declining loans; completing entrance counseling; and signing the Master Promissory Notes.

We encourage students to complete their financial aid requirements at least two weeks before they need to be financially cleared. If you have not completed a FAFSA you should visit www.studentaid.gov.

Questions regarding Financial Clearance should be directed to the Bursar's Office.

Payment Options

Payments by mail- Cashier's Checks or money orders (personal checks WILL NOT BE ACCEPTED) can be made payable to "Lincoln University" and mailed to:

Lincoln University
Office of the Bursar
1570 Baltimore Pike
Lincoln University, Pa 19352

Self-Service- Payments by debit or credit card can be made in the self-service portal.

Nelnet- Payments can also be made by setting up a Nelnet payment plan.

Payment plans

Automated payment plans are available each semester through Nelnet. Students will set up the balance owed for the semester with Nelnet. Nelnet will break the balance up into monthly installments. Payments will automatically pull each month.

It is the responsibility of the student to monitor their balance in self-service and on their Nelnet payment plan and notify us if the amounts do not match. Nelnet is a third party service provider so they do not know that your balance has changed with us unless you express in writing that it has changed.

Students who have contracted to pay monthly must have the balance paid in full by the terms of the payment agreement. Missed or late payments may result in a financial hold being placed on the account until the payment plan is completed or the balance is paid in full.

Alumni Discount

A discount of 25% off tuition (only) may be applied for a student if their parent or grandparent graduated from Lincoln University. An alumni discount form must be completed each academic year and submitted to the Bursar office for approval. The discount is good for only 4 years; 5th year seniors may not be eligible for the discount.

Tuition Remission

Tuition remission is to cover tuition only and does not include fees, room and board, labs, etc. A tuition remission form must be completed with HR every semester. For details on the tuition remission benefits please reference the employee handbook.

Refunds

Student financial aid funds must be credited on a student's account and the account has to reflect a credit balance before a refund can be processed. Refunds are processed automatically. LINCOLN UNIVERSITY GENERAL POLICIES

ABSENCES FROM CLASS

Lincoln University uses the class method of teaching, which assumes that each student has something to contribute and something to gain by attending class. It further assumes that there is much more instruction absorbed in the classroom than can be tested on examinations. Therefore, students are expected to attend all regularly scheduled class meetings and should exhibit good faith in this regard.

For the control of absences, the faculty adopted the following regulations:

1. Four absences may result in an automatic failure in the course.
2. Three tardy arrivals may be counted as one absence.
3. Absences will be counted starting with whatever day is specified by the instructor but not later than the deadline for adding or dropping courses. Students are responsible for all missed work.
4. In case of illness, death in the family, or other extenuating circumstances, the student must present documented evidence of inability to attend classes to the dean of the college and vice president for student success. However, in such cases, the student is responsible for all work missed during those absences.
5. Departments offering courses with less than full-course credit will develop and submit to the dean of the college and the vice president for student success a class attendance policy in keeping with the above.
6. Students representing the University in athletic events or other University-sanctioned activities will be excused from class(es) with the responsibility of making up all work and examinations. Instructors will receive written notification from the University office sponsoring said activity before the event.

In case of illness, death in the family, or other extenuating circumstances, the student must present documented evidence of inability to attend classes to the vice president for student success. In such cases, the student is responsible for all work missed during those absences.

MEAL PLANS

The University Board policy requires all on-campus residents to purchase a meal plan offered by Lincoln University Dining Services. Residents wishing to reduce the meal plan selection (which may go no lower than the minimum meal plan offered) may do so within the first two weeks of each semester prior to the add/drop date. Changes to your meal plan will be reflected on your student account and cannot be adjusted after the add/drop date. **Please be advised that only upperclassmen have the ability to change their meal plan and all first-year students must have the 19 meal plan.**

CHANGE OF INFORMATION

It is the student's responsibility to provide the Registrar's Office with current information concerning local and permanent mailing addresses and telephone numbers. Any changes in such information during the academic year must be provided to the Registrar's Office immediately to ensure receipt of all official University correspondence.

DISCRIMINATION AND HARASSMENT

Lincoln University is committed to providing a work environment and learning community that is free from all forms of unlawful discrimination. The University does not tolerate discrimination against any individual, whether by actions, words, jokes, or comments, based on an individual's sex, race, color, national origin, age, religion, veteran status, sexual orientation, gender identity, gender expression, marital status, genetic information, disability, or any other legally protected characteristic. Harassment based on any of these characteristics is a form of discrimination and also is prohibited. The use of social networking websites to harass, stalk, threaten, or in any way intimidate another student is prohibited. The University's policies regarding discrimination, harassment, and sexual misconduct can be accessed on the University's Human Resources Policies webpage.

Any individual who violates the University's policies prohibiting unlawful discrimination or harassment shall be subject to disciplinary action up to and including expulsion or termination of employment.

DISTRIBUTION OF LITERATURE

Freedom of speech and expression is highly valued by the University. Distribution of non-commercial literature, pamphlets or leaflets on campus, or within buildings located on University-owned property, however, is restricted as follows:

1. Distribution of literature in University-owned buildings by individual students or by organizations recognized by the University may occur only with prior written permission. A request for the required advance permission should be submitted to the dean of students.
2. In no case may any distribution include materials that are libelous, obscene, or violate or encourage the violation of federal, state, or local laws.

DISTRIBUTION OF COMMERCIAL LITERATURE

Distribution of commercial literature or leaflets by organizations not recognized by The Office of Student Life and Development, or registered with the University, or by individual students or people not officially connected with the University, is not permitted on University-controlled property without the approval of the vice president of student success or his or her designated representative. Literature and materials distributed on University-controlled property must not contain language that is libelous, obscene, or in violation of federal, state, or local laws.

DISORDERLY CONDUCT

Any type of conduct that disturbs the peace, morals, or safety of the general public or of a class of people. In other words, behavior that causes others to become annoyed, alarmed, offended, inconvenienced, physically injured, or financially harmed. Examples of such behavior include, but are not limited to: being drunk in public, loitering, fighting, making loud or disturbing noise(s), making offensive expressions or gestures, using profanity, and damaging public or private property.

ALCOHOL

The laws of the Commonwealth of Pennsylvania prohibit possession, consumption, and distribution of alcoholic beverages by, and to, those under the legal drinking age of 21 years of age. Lincoln University permits the lawful consumption, in moderation, of alcoholic beverages on its property and by persons of the legal drinking age.

Guidelines: To comply with state law and institutional policies, the following guidelines are established:

1. Displaying consumption of alcohol and drunkenness (visible intoxication) on campus, including in the residence halls, academic facilities, campus grounds, other University-owned housing, dances, athletic events, etc. is prohibited. Students who are publicly intoxicated will be subject to disciplinary action, as well as penalties under the law.
2. The intentional and knowing selling, or intentional and knowing furnishing (as defined by Pennsylvania Law) of alcoholic beverages to persons under the age of 21 or to persons obviously inebriated is prohibited.
3. Hosts of private social gatherings are responsible for ensuring adherence to state law and University regulations. All guests are subject to University rules and regulations.
4. In cases of alcohol intoxication and/or alcohol poisoning, the primary concern is the health and safety of the individuals involved. Please see MEDICAL AMNESTY POLICY.
5. No oversized or common source containers of any sort (including or not limited to kegs, punch bowls, beer balls, beer pong, party balls, or coolers) are permitted. Irresponsible use of alcohol, including purposeful binge drinking, playing drinking games, or drinking contests or games of any sort are prohibited.
6. Alcohol is not permitted in the First Year Residence Halls at any time. A first-year residence hall is defined by over 80 percent of participants being first year students.
7. No student, regardless of age, may possess or consume alcohol while representing the University or on a University-sponsored trip.
8. No one is allowed to possess no more than 375ml (1 pint) of open or closed alcoholic beverages which includes but it is not limited to (Brandy, gin, mezcal, rum, tequila, vodka, whisky, wine, baijiu, shōchū and soju) in public spaces regardless of your age.

LU's policy encourages students to make responsible decisions about the use of alcohol and to promote safe, legal, and healthy patterns of interaction.

DRUGS

The Drug-Free Schools and Communities Act of 1989 requires Lincoln University, as an institution of higher education receiving federal funds, to certify to the U.S. secretary of education that it has adopted and implemented an anti-drug and alcohol abuse program for its students and employees. Accordingly, the University adopts the following policy: Lincoln University does not permit or condone the illicit or unauthorized possession, use, consumption, sale, or distribution of illegal drugs by its students and employees on its property or as part of its activities. This policy applies to all full-time and part-time students; and all full-time and part-time permanent and temporary employees, including faculty, administration, all exempt and non-exempt staff, and any student employees and interns.

Students who violate this policy will be subject to appropriate disciplinary action consistent with local, state, and federal laws, and University policies and procedures which include: (1) immediate interim suspension, (2) a subsequent judicial hearing, and/or (3) extended suspension, permanent suspension, or expulsion.

Employees who violate this policy will be subject to appropriate disciplinary action consistent with local, state, and federal laws which may include counseling, mandatory participation in an appropriate rehabilitation program, a warning, placement on strict probation, unpaid suspension from employment, termination of employment, and referral to the proper law enforcement authorities for prosecution. All disciplinary procedures and appeals presently applicable to students and all categories of employees will continue to be available for violation of this policy.

Federal Law

Federal drug laws parallel Pennsylvania drug laws in many respects. For example, it is a federal offense to manufacture, distribute, or possess with intent to distribute, a controlled substance or a counterfeit controlled substance. As under the Pennsylvania Penal Code, any property associated with the unlawful handling of a controlled substance may be forfeited to the authorities. Federal law also provides that a person age 18 or older who distributes a controlled substance to a person under 21 years of age may be sentenced to a term of imprisonment and/ or a fine of up to twice the amount authorized for distribution to a person over the age of 21.

An important sanction under federal law is that persons convicted of any federal or state offense involving possession of a controlled substance are ineligible to receive any or all federal benefits (e.g., social security, student loans) for up to one year. If the offense involves the distribution of a controlled substance, the guilty person could be ineligible for any or all federal benefits for up to 5 years.

There are both federal and state laws specifically dealing with the distribution or manufacturing of controlled substances in or near schools or colleges. For example, federal law provides that a drug offense committed within 1,000 feet of school property, including universities, is punishable by a term of imprisonment and a fine of up to twice the amount authorized for the same offense committed away from school property.

SMOKING

Lincoln University has joined hundreds of colleges and universities around the nation that are concerned about the harmful effects of the use of tobacco products by those in its campus community. Tobacco use has been established as a preventable cause of many illnesses. Current research indicates that tobacco smoke exposure in confined areas may be a health hazard to non-smokers. Smoke from cigarettes, cigars, pipes, and vaporless cigarettes can be an irritant to many non-smokers and can aggravate allergic conditions. With sufficient concentration, secondhand smoke may be harmful to those with chronic heart or lung disease.

Though primarily affecting the user, smokeless tobacco is also recognized as potentially harmful, and the policy outlined in this statement shall be interpreted as meaning that the use of smokeless tobacco products will be prohibited in the same areas as is tobacco smoking. No smoking will be allowed in any campus building, including residential halls at Lincoln University. Smokers are required to stand 50 feet away from the entrance and exit doors of buildings.

DUE PROCESS

A student accused of a serious offense shall be notified in writing of the specific charge before the case is considered. The student shall be notified in writing of the time and place of the consideration of the case, and shall have reasonable time and opportunity to prepare a defense and the right to be represented by a person of the student's choice consistent with University policies. The student shall also have the opportunity to testify and to present witnesses and evidence. The University reserves the right to issue an interim suspension any time an incident occurs and the University determines that the presence of an individual(s) on campus threatens the life, health, safety, and well-being of that individual(s) or the campus community.

FERPA AND DIRECTORY INFORMATION

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights concerning their education records. They are:

1. The right to inspect and review the student's education records within 45 days of the day the University receives an access request.
2. The right to request the amendment of the student's education records that the student believes are inaccurate or misleading.
3. The right to file a complaint with the U.S. Department of Education concerning alleged failures by Lincoln University to comply with the requirements of FERPA.

4. The right to consent to disclosures of personally identifiable information contained in the student's education records. The FERPA law and its regulations allow disclosure without the consent of the student if the disclosure meets one or more conditions specified in the regulations.

Education institutions are permitted by FERPA to disclose directory information for currently enrolled students without the consent of the student unless the student requests that his or her information not be disclosed during an academic year. An educational institution may designate categories of information and students may specify which categories should not be disclosed.

Lincoln University has designated the following categories of a student's information as public or "Directory Information." Such information may be disclosed by Lincoln University for any purpose, at its discretion:

- **Category I:** Name, address, telephone number, dates of attendance, email address, class, and enrollment status.
- **Category II:** Previous institution(s) attended, major field of study, awards, honors (including dean's list), degree(s) conferred (including dates).
- **Category III:** Past and present participation in officially recognized sports and activities, physical factors (height, the weight of athletes), photographs, student ID, date, and place of birth.

To withhold disclosure for an academic year, written notification should be received by the Office of the Registrar, Lincoln University, Lincoln University, PA 19352, before September 1. The "Request to Withhold Directory Information" form is available on the Registrar's website.

PEACEFUL ASSEMBLY

Lincoln University acknowledges the rights and privileges of students or groups of students to gather on University property for peaceful assembly. The University expects the rights and privileges of all persons to be respected at such gatherings.

"Peaceful assembly" is defined as any purposeful gathering on campus, in or outside a University building or facility, by one or more persons whose conduct is peaceful and is following the University rules, practices, and law. The University requires that persons engaged in such assemblies on-campus conduct themselves in a manner that will not impair the health or safety of any individual, disrupt the normal conduct of University affairs, or damage and destroy property. Any act by student demonstrators that interferes with the rights of others, disrupts or impairs the normal functioning of the University, damages or destroys property, or impairs health or safety is grounds for suspension or dismissal from the University.

Persons planning or initiating assemblies to be conducted on the University campus are requested to identify their groups and to state their purpose in advance to the appropriate University personnel through the dean of students. Areas may be reserved, if available, for the accommodation of such assemblies. Arrangements for any assembly which involve the use of University buildings not available for general use must be made with the appropriate person. The organization sponsoring a speaker or conducting an assembly assumes the responsibility for maintaining the University's policies on peaceful assembly and student freedom of expression.

In the planning of such events, staff assistance is available to help eliminate or minimize the possibility of disruption. The involvement of the Lincoln University Police and Public Safety Department may be required to assure that the rights of all concerned are protected.

Demonstrations are prohibited in classrooms during hours that they are scheduled for use, or at any locality when conducted in a manner that interferes with the educational function of the University. Demonstrations are further prohibited in any special use facility. Demonstrators refusing to vacate such premises when directed by the instructor in charge or by authorized staff are subject to immediate disciplinary action and arrest under the applicable city and state laws.

PROPERTY LOSS/DAMAGE INSURANCE

The University does not carry insurance to cover the loss of or damage to the personal property of students, faculty, or staff. Accordingly, valuable articles should be covered by personal property insurance policies. The University requires all students to purchase personal property insurance unless they provide documentation showing they have other coverage. Under no circumstances will the University reimburse students for loss, theft, or damage to their personal property.

2. ensure that complaints are handled through consistent practices and standards; and
3. upon receiving notice of potential acts of sexual harassment or assault, either personally investigate the incident or oversee the investigation.

The Title IX Coordinator may also assist the institution's law enforcement employees on appropriate responses to reports of sexual violence. In these cases, the coordinator should have access to school law enforcement investigation notes and findings unless access would compromise a criminal investigation. Furthermore, the coordinator is responsible for reviewing all complaints received to identify and address any patterns or systemic problems.

Retaliation: is ANY adverse action, including intimidation, reprisal, threats, coercion, or harassment, taken against a person participating in a protected activity. Retaliation against an individual that has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing.

LINCOLN UNIVERSITY STUDENT CODE OF CONDUCT

INTRODUCTION

The purpose of publishing a Code of Student Conduct is to give students general notice of prohibited behavior. This code is not intended to be written with the specificity of a criminal statute. The primary purpose for the imposition of discipline in the University setting is to protect the campus community as well as to foster the personal, educational, and social development of those students who are found responsible for violations of University regulations. This policy is intended to create a learning environment that promotes respect, dignity, and the pursuit of knowledge. It is not the intent of this policy to inhibit the expression of ideas or to use any methods that would infringe on an individual's constitutional right to free speech.

AUTHORITY FOR STUDENT CONDUCT MATTERS

The University reserves the right to take necessary and appropriate action to protect the safety and well-being of persons, property, and the campus community. Students may be accountable to both criminal and civil authorities as well as to the University for acts that constitute violations of law and this code. Disciplinary action at the University normally will proceed during the pending of criminal proceedings.

The vice president for student success is the person designated by the president to be responsible for the administration of the Code of Student Conduct.

GENERAL MATTERS

Lincoln University, a community comprised of students, faculty, administrators, and staff, recognizes the need to establish a code of conduct that contains rules and regulations to guide student actions and to define sanctions that will be imposed when rules and regulations are violated. For the benefit of the community at large, these regulations limit certain behaviors and activities. They also protect the health and welfare, safety, rights, and property of the University and all members of the University community. Specifically, the University strives to redirect student behavior that does not meet University standards. To meet this goal, the University employs a student conduct process that allows students to receive feedback by their peers, staff, and faculty, and employs educational and other sanctions such as warnings, fines, suspension, or expulsion. Any student accused of violating these rules is entitled to due process, a notice of the charges, and an opportunity to be heard.

Student appeals also are allowed. All conduct findings are subject to review by the Vice President for Student Success or designee of the University. The Vice President or designee will have the authority to sustain, change, or reverse any findings.

All students, faculty, and staff members are strongly urged to report any complaints involving students to the student conduct administrator, dean of students, and/or the Lincoln Police and Public Safety Department. No student organization, group, or student shall remain in a facility after it is officially closed without permission from a University official and without notice to the Lincoln University Police and Public Safety Department. All reports are forwarded to the dean of students to establish a hearing date for the respondent.

The University Code of Student Conduct shall apply to conduct that occurs on University premises, at University-sponsored activities, and to off-campus conduct that adversely affects the University community and/or the pursuit of its objectives.

The Vice President for Student Success or Dean of Students may administratively handle: (1) students who are not currently enrolled at the time of their alleged violation of the Code of Student Conduct or (2) students whose violations occur before the convening of the Student Conduct Board or after the Student Conduct Board has recessed for the academic year. All sanctions up to and including expulsion will be available during administrative conferences. During administrative conferences, students will be afforded the same due process and procedural protections as would be the case for a full Student Conduct Board hearing.

Students at Lincoln University are expected to conform to regulations, federal and state laws, and city ordinances. Students penalized for violation(s) of public laws are still subject to sanctions under this Code of Student Conduct if the violation of the public law also is a violation of the Code of Student Conduct. The University's decision to conduct matters is independent of criminal or civil legal action, and the University's conduct proceedings will not be delayed simply because legal action is also proceeding. No student will be permitted to graduate from Lincoln University while disciplinary action is pending against him or her.

STUDENTS ARE RESPONSIBLE FOR KNOWING AND UNDERSTANDING ALL RULES AND REGULATIONS CONTAINED IN THE CODE OF STUDENT CONDUCT.

STANDARDS OF CLASSROOM BEHAVIOR

The primary responsibility for managing the classroom environment rests with the faculty. Students who engage in acts that result in disruption of a class may be directed by the faculty member to leave the class for the remainder of the class period. The faculty member should, if such action is necessary, immediately report the incident to the chair of their department, the dean of the school, and the dean of students. Longer suspensions from class, or dismissal on disciplinary grounds, must be preceded by a hearing or administrative conference as outlined in the Code of Student Conduct.

In cases where a student's continued presence in a class, following their initial removal, poses a substantial and immediate threat or disturbance, the vice president of student success or dean of students may suspend the student from attending the class on an interim basis, pending their hearing or administrative conference.

Cell phones are not to be used in the classroom during instructional time. Cell phones that ring and/or are answered during classroom instruction are subject to confiscation by the professor. Confiscated cell phones will be turned over to the dean of students.

STUDENT CONDUCT PROCESS

Formation of the Student Conduct Board

The Student Conduct Board shall be comprised of the following:

- Five (5) students and one alternate appointed by the Student Government Association;
- Two (2) faculty members and one alternate appointed by the Division of Academic Affairs; and
- Two (2) administrators and one alternate appointed by the vice president for student success.

The hearing panel in individual cases will be selected from among the members of the Student Conduct Board.

The hearing panel need not be composed of any particular number of persons as long as at least one (1) student member and one (1) faculty/staff member are represented on the panel.

Depending on the nature of the charges and the severity of the potential sanctions, the student conduct administrator will determine whether the student charges will be heard by a student conduct panel or by the student conduct administrator, or his or her designee. Cases involving allegations of sexual misconduct will be handled under the specific procedure outlined in the University's sexual misconduct policy. An administrative hearing before the student conduct administrator generally will be employed if the student accepts responsibility for the charges.

Rights & Responsibilities

The student has the right to know the charges brought against him or her, and the charges must be in writing. The student must be given a reasonably adequate time (generally 72 hours) to prepare a defense and has the right to defend himself/herself against the charges before the appropriate hearing authority. The student has the right to bring character statements or eyewitnesses to the defense hearing. The student has the right to request the replacement of any member of the Student Conduct Board who they feel may be biased or prejudiced against them. The student has the right to remain silent. Hearings are not open to the public, and individuals conducting the hearing are prohibited from discussing the outcomes of the hearing. Due to the nature of certain cases and circumstances, the University's failure to follow these procedures to the letter does not automatically invalidate the outcome unless the respondent or the complainant is placed at a substantial and definitive disadvantage.

The dean of students or his or her designee will serve as the presiding officer of the Student Conduct Board. All disciplinary action becomes effective upon the date of board action unless otherwise specified. Students dismissed by recommendation of the Student Conduct Board follow the same withdrawal procedure as other students. Any student who leaves or withdraws from the University and seeks readmission while disciplinary action is pending must secure a written clearance from the vice president for student success or his or her designee.

Notification of Disciplinary Actions and Decisions

Appropriate University officials and campus departments shall be notified of the outcome of the disciplinary proceeding. When a student is charged with a violation of the Code of Student Conduct, the student should expect to be contacted by the dean of students regarding hearings. All notifications to students of a hearing regarding his or her alleged violation(s) will be made through the student's official Lincoln email; however, a student's failure to check their email is not an excuse for failure to appear at the hearing and does not entitle the student to a postponement. If a student fails to appear before the Student Conduct Board or their Administrative Hearing Officer after proper notice has been given or attempted, the hearing will nonetheless proceed.

CONDUCT HEARING PROCEDURES

The Conduct Hearing procedures include the following:

1. The presiding officer calls the session to order and asks each person in the room to introduce himself or herself and state his or her reason for being at the hearing (e.g., board member, respondent, witness).
2. The presiding officer asks the respondent and the complainant if they challenge the objectivity of any member of the Student Conduct Board. If so, the party must state the reason(s). The board will meet in a non-public session to consider the challenge and determine whether or not the member should hear the case.
3. The presiding officer reads the charges and specifications to the charge(s) from the incident report. The presiding officer asks the respondent to respond to each charge (responsible or not responsible).
4. The respondent and the complainant are given an opportunity to give an opening statement.
5. The respondent and the complainant may give his or her explanation of the events surrounding the charges. The members of the board then may question the students. Each student should be given the opportunity to provide the presiding officer with questions to ask the others involved in the case.
6. The presiding officer in his or her discretion may limit the number of eyewitnesses that may be heard, and to require all other witnesses to submit their statements in writing. Both sides have, at this time, the right to cross-examine, by providing the presiding officer with questions, the witnesses, and to examine any documents before being received into evidence. No member of the staff, faculty, or administration of Lincoln University may be called as an expert witness. However, staff, faculty, and administrators may serve as character witnesses or references.
7. The respondent and the complainant present the facts and evidence that support his or her case.
8. The respondent and the complainant shall be given an opportunity to make a closing statement.
9. The board will make its deliberations in a closed non-public session.
10. The board will then render its decision with the charges against the student established by a majority decision given a "preponderance of the evidence."

11. The accused student normally will receive the decision in writing within three to five (3-5) business days.
12. There shall be one single verbatim digital recording of all hearings before a Student Conduct Board panel, excluding deliberations.
13. The Student Conduct Board may accommodate concerns for the personal safety, well-being, and/or fears of confrontation of the complainant, respondent, and/or other witnesses during the hearing by providing separate facilities, and/or permitting participation by telephone, video conferencing, or other means as determined in the sole judgment of the student conduct administrator.
14. Hearings are not open to the public, except the respondent or complainant may be accompanied by their parents, spouse, or an advisor for support. If the student's advisor is an attorney, special permission from the vice president for student success or his or her designee must be obtained. The role of parents, spouses, advisors, and attorneys is limited. Since conduct hearings are not a courtroom proceeding, but rather part of the University's efforts to provide a healthy living/learning environment, attorneys and other support persons are not permitted to question witnesses, make statements or otherwise participate in the hearing process. If they fail to act by these procedures, they will be barred from the proceedings. When the student has been granted permission to have an attorney present, the University attorney will also be present.

Failure of the respondent to appear at the initial hearing involving the original charges, without approval, documented proof supporting extenuating circumstances preventing such appearance, will result in the loss of the right to an appeal. All appeals will be decided on the record of the original proceedings. New hearings will not be conducted on appeal.

Conduct Hearing Appeals Procedure

After the conclusion of the hearing and non-public deliberation, the Student Conduct Board will recommend a decision and sanction(s) if the student is found responsible for violating the Code of Student Conduct. The student may appeal the decision or the sanction(s) in writing to the Vice President for Student Success, or his or her designee within three (3) business days of the decision.

There are only three grounds for Conduct Appeal:

1. The Student Conduct Board hearing was not conducted following prescribed procedures which resulted in significant prejudice to the appellant
2. The sanction imposed was unreasonably harsh given the violation
3. New information, sufficient to alter a decision, should be considered.

An appeal based on new information will only be considered if the new information was not brought out in the original conduct hearing because it was not known to the person appealing at the time of the original Student Conduct Board hearing. **The decision of the Vice President for Student Success is final.**

After the final revision of the appeal, the original hearing outcome will either:

1. Be upheld
2. Overturned
3. Modified the sanctions

ADMINISTRATIVE HEARING PROCEDURES

Administrative Hearings shall be conducted according to the following guidelines:

1. Administrative Hearings shall be conducted in private.
2. Administrative hearings shall be conducted by an Administrative Hearing Officer.
3. The Administrative Hearing Officer may be the same staff member with whom the student has met to discuss the charges, and the hearing may proceed immediately.

4. Students may also request that a case be assigned to a different Administrative Hearing Officer and the hearing be scheduled for a later date.
5. A single hearing officer will determine responsibility for the alleged policy violations and possible sanctions.
6. The respondent has the right to be assisted by an advisor of their choice, at their own expense. The respondent is responsible for presenting relevant information before their hearing to the Office of the Dean of Students (deanofstudents@lincoln.edu). Advisors may advise their advisor but are not permitted to speak or participate in the hearing. Hearings will not be delayed or rescheduled to accommodate advisors.
7. The hearing officer, respondent, an advisor of the respondent's choice (if any), and the investigator (if any) shall be allowed to attend the entire portion of the administrative conduct hearing except for the hearing officer's deliberation.
8. The respondent and the investigator (if any) will have an opportunity to present information relevant to the allegations.
9. The respondent and investigator may request witnesses to present pertinent information to the hearing officer.
10. Approved witnesses shall be allowed to attend a portion of the hearing where they will present relevant information and answer questions.
11. After all the appropriate information has been presented and questions asked, the hearing officer will deliberate to determine responsibility for alleged violations. Deliberations will be in private.
12. If responsibility for any violation is determined, the hearing officer will deliberate to determine appropriate sanctions. Sanctions will be determined based on the violations for which the respondent is found responsible, prior misconduct, factors considered aggravating and factors considered mitigating.
13. In hearings involving more than one respondent, the Student Conduct Coordinator may permit the respondents to participate in the hearing separately or together. Respondents may request to have decisions rendered separately or together.
14. Pertinent records, exhibits and written statements (including student impact statements) may be accepted as information for consideration by the hearing officer at the discretion of the Student Conduct Coordinator. All relevant information must be submitted by the complainant and respondent at least 2 business days before the scheduled hearing.
15. All procedural questions are subject to the final decision of the Student Conduct Coordinator.
16. The hearing officer's determination of responsibility for each violation shall be made on the basis whether there is a preponderance of the evidence, or whether it is more likely than not, that the respondent violated the Student Code of Conduct.
 - a. Formal rules of process, procedure, and/or technical rules of evidence, such as are applied in a criminal or civil court, are not used in the student conduct proceedings.
 - b. If with proper notice the respondent and/or investigator do not appear for a conduct hearing, the available information regarding alleged violations shall be presented and considered without such parties present.

Failure of the respondent to appear at the initial hearing involving the original charges, without approval, documented proof supporting extenuating circumstances preventing such appearance, will result in the loss of the right to an appeal. All appeals will be decided on the record of the original proceedings. New hearings will not be conducted on appeal.

Administrative Hearing Appeals Procedure

After the conclusion of the hearing and non-public deliberation, the hearing officer will recommend a decision and sanction(s) if the student is found responsible for violating the Code of Student Conduct. The student may appeal the decision or the sanction(s) in writing to the Dean of Students within three (3) business days of the decision.

The only ground for Administrative Appeal:

1. Sanction is grossly disproportionate to the violation committed

Administrative hearing appeals are not granted grounds of substantial new evidence, procedural error, or if the student is on residence hall probation.

After the final revision of the appeal, the original hearing outcome will either:

1. Be upheld
2. Overturned
3. Modified the sanctions

Any recommended decisions and sanction(s) can be changed, accepted, or by the Student Conduct Administrator present during the initial hearing.

A student's discipline file is part of the student's education record under the Family Educational Rights and Privacy Act of 1974 (FERPA). Under the amendments to the Higher Education Act of 2000, the University may notify parents of pending disciplinary action for drug or alcohol violations.

DISCIPLINARY SANCTIONS AND ACTIONS

If a student is found responsible for a violation of the Student Code of Conduct and is assigned a sanction, the sanction takes effect immediately and remains in place until it is completed, expires, or is vacated through an appeals process. Foster personal learning, growth, and development and aid in the development of mature and ethical decision- making.

This section lists some of the sanctions and corrective actions that may be imposed upon students or student groups. The College reserves the discretion to impose more stringent or different sanctions or corrective actions depending on the facts and circumstances of a particular case. Sanctions for student misconduct under the Student Code of Conduct are generally cumulative in nature.

No Contact Order

This is an official correspondence from the Office of the Dean of Students at Lincoln University. As a result of this conflict, the alleged student is restricted from making any first, second, or third person contact with the victim. No contact includes, but is not limited to, telephone calls, e-mail, social media messages, letters, and messages delivered by others. The alleged is not permitted to have any contact with the victim's personal property. Any sort of threat towards the victim or alleged, they should contact the Lincoln Police Department at 484-365-7211. Threats that are made will be understood as real and taken very seriously. Failure to comply with the instructions provided will result in a violation of the Student Handbook and may lead to immediate interim suspension from Lincoln University.

Written Warning

A written warning is an official notification to the student that their behavior has been unacceptable. Any additional violations of the student handbook may result in further disciplinary action and/ or removal from housing.

Educational Sanction

A student may be required to complete a project, research/reflection paper, or assignments appointed by the Dean of Students Office to educate them about the consequences of their actions and impart skills that may help students or organizations avoid future violations.

Community Restitution and Other Alternatives

The adjudicator of a case can assign particular forms of community work, on or off campus, and a number of hours to be worked. The adjudicator will be responsible for supervising the student's implementation of the community restitution. The adjudicator may also require attendance, when appropriate, at educational workshops or similar opportunities suitable to the nature of the infraction.

Residential Probation

Students who are found in violation of residence hall rules and regulations may have their agreement deemed non-renewed. Any student who is continually disruptive to the residence hall community will be considered for non-renewal of the residence hall agreement. Future violations will result in more severe disciplinary sanctions, including non-renewal of housing contract, loss of campus residence, suspension or expulsion.

Disciplinary Probation

This sanction consists of a warning in writing which specifies that further infractions of the Student Code of Conduct during a student's time at Lincoln University will, in most instances, lead to suspension, dismissal or, in very serious cases, expulsion from the College. A student on disciplinary probation may be barred from some or all extracurricular activities for a defined period.

Financial Restitution

Monetary reimbursement to a person or to the College for damage or loss of property or the abridgment of a person's use or access to the use of property or a service.

Interim Suspension

An interim suspension is an immediate temporary separation from the University. Conditions may include restriction from University premises, participation in academic endeavors, and University-related activities. Interim suspension is designed to mitigate the risk to members of the university community by deterring future prohibited conduct, often while conduct charges are pending for reported misconduct.

Suspension

Students suspended from the University are required to return their student identification card, mailbox key, entrance key, and room key and may not return to campus for the duration of their suspension, except to conduct official business with an administrative officer or faculty member, and then only with the prior permission of the vice president of student success, dean of students, or designee. If a student returns to campus without permission during the period of suspension, his or her eligibility to return to Lincoln University will be threatened and he/she will be subject to arrest. During the period of suspension, the student is not eligible or entitled to receive any University services.

Following the suspension period of one (1) semester or more, the student must request to be readmitted or reinstated to the University after fully serving the suspension. The suspension period begins with an existing semester and continues throughout that particular semester. However, the suspension may become effective at the beginning of a specified semester (usually the following semester) and continue throughout the semester.

Expulsion

Expulsion is the permanent separation from the University and loss of all privileges to use the services of the University in any way. This is the most severe form of sanction and is reserved for the most severe infractions, for those individuals who repeatedly violate University's rules and regulations, or for aggravated offenses. When a student is expelled, his or her enrollment is immediately canceled, and they are unable to graduate from Lincoln University. If a student is expelled, he or she must immediately leave the University and may not return to the University campuses without the express permission of the vice president for student success, the dean of students, or their designee.

Student Non-Academic Grievance Procedure

Whenever a student has a grievance /complaint regarding a matter not related to academic affairs at Lincoln University, the following procedures shall apply when a student believes that a staff member has infringed upon the student's rights:

The student shall first attempt resolution by seeking an appointment with the staff member in question. If to the student, this does not seem a feasible course, or if a personal conversation with the staff member has been attempted, but a resolution satisfactory to the student's grievance is not obtained, the student may seek resolution through a written appeal to the director of the office or department, who will attempt to resolve the matter between the student and the staff member. If the complaint/grievance is against the director, then the student will appeal to the dean of students through a written appeal.

The dean of students may attempt informal resolution through discussion with the student and staff member or director, will consider the student's appeal, and issue a written decision and remedy. Appropriate precautions should be taken to safeguard the confidentiality of the grievance proceedings, including information about the outcome.

Either party to a grievance appeal (whether staff member, director or student) may appeal the decision of the dean of students to the vice president for student success in writing within ten (10) days following notice of the dean's decision. A written reply by the other party must be filed within ten (10) days after receipt of the appeal, and the dean's decision shall remain pending. The vice president for student success has the discretion to determine the information and procedure that he/she will utilize in deciding each appeal. The decision of the vice president for student success (in writing) shall be final.

LINCOLN UNIVERSITY STUDENT HEALTH & SERVICES

ACCIDENT AND EMERGENCY ILLNESS POLICY AND PROCEDURE

In the event of a medical emergency, the University takes every precaution to ensure the health and safety of all students and employees. Consistent with this concern, the University will adhere to the following guidelines in the event of a medical emergency.

STUDENT HEALTH INSURANCE

As health insurance coverage is mandatory, the student accident and sickness policy has been designed for Lincoln University students. Therefore, to have the insurance fee removed from their student account, students must verify personal coverage by returning the Health Insurance Notification form to the Division of Student Success before the beginning of each school year. Failure to provide proof of personal coverage will result in the student being charged the student insurance fee. This information must be presented every year the student attends the University. If you have questions, contact the Division of Student Success.

Lincoln University requires that all registered students attending classes at the main campus ("MC students") possess health insurance that meets specific federal and school requirements. To ensure that these requirements are met, MC students will be enrolled in the Lincoln University Student Health Insurance Plan ("LUSHIP").

Please note the following:

The LUSHIP premium for the 2024-2025 academic year is \$592 per student and is billed to individual MC student accounts each semester.

To review coverage information, go to: Wellfleetstudent.com. Enter Lincoln University, then select Discover your benefits.

Students who are insured under another health insurance plan may submit a request to waive / opt out of LUSHIP before the drop/add deadline each semester. **

Please note the following:

- Beginning in July each year, MC students are sent weekly email communications containing instructions on submitting a request to waive LUSHIP. Students are encouraged to check their Lincoln University email messages regularly for this information.
- The deadline for students to submit a waiver of LUSHIP coverage coincides with the drop/add date each semester.
- Instructions to submit a waiver are also available on the Lincoln University website at: www.lincoln.edu/student-life/health-and-wellness/health-services/health-insurance.html.
- For coverage questions, please reach out to the plan administration team here: Wellfleet Student; (877) 657-5030, TTY 711.

Medicaid insurance:

Medicaid insurance offered in Pennsylvania, Delaware and Maryland will be considered for a waiver. Due to restrictions in coverage, Medicaid offered in other states will not be considered acceptable to waive LUSHIP coverage.

****Exceptions:**

- International students are required to enroll in LUSHIP and may not waive coverage.
- Students who experience an involuntary loss of health coverage during the school year may be eligible to enroll in LUSHIP after the drop/add deadline.

GUIDELINES

All students should report to the Office of Health Services for treatment of any illness or injury, no matter how minor it may seem. A student injury report form should be completed by the student to document any injuries. If the health services office is closed, students should contact their residence hall coordinator or resident advisor; or in an extreme emergency, the Lincoln Police and Public Safety Office will direct the student and arrange transportation (which may involve calling an ambulance) to the nearest Hospital. Health services hours of operation: Monday thru Friday 9:00am-4:00pm. Transportation to doctors' appointments in the local area may be provided only during designated times, by appointment, given 24 hours' notice to health services by calling 484-365-7338 to schedule (including pharmacy and other diagnostic testing appointments, etc.).

In instances where students are rendered medical treatment without informing the appropriate University personnel or health services at the time of the incident, the student should report to health services immediately following medical treatment. If a student is admitted to the hospital, a member of the family, friend, or roommate should notify health services in person or by calling 484-365-7338. As well, a discharge summary of treatment and instructions should be brought to health services.

In the event of a student hospitalization, health services will make every attempt to contact the student to ensure that everything is going smoothly and, if necessary, aid the student. In all instances, a student or employee incident form should be completed for the health services file. Students are required to sign a waiver allowing health services to provide information to an individual(s) of the student's designation in the event of an emergency.

An emergency is an unexpected, serious occurrence or situation which requires prompt action. In the event of an emergency, University personnel will either transport the student or immediately call for an ambulance. The following is a list of criteria that require the University to call an ambulance:

1. Chest pain/cardiac arrest
2. Respiratory distress
3. Altered mental status
4. Seizure
5. Drug ingestion, overdose

6. Suicide attempt
7. Hallucinations/psychosis
8. Head Injury/loss of consciousness
9. Neck injury
10. Amputation
11. Uncontrolled bleeding
12. Penetrating trauma
13. Pregnancy complications, pain, or bleeding
14. Uncontrolled vaginal bleeding
15. Ambulatory dysfunction
16. Hyperglycemic or hypoglycemic episodes with life-threatening symptoms (blood glucose levels).

The following is a list of emergencies for which the University may be able to provide transportation:

1. Fevers with additional symptoms
2. Abdominal pain
3. Dislocated joint
4. Possible fracture
5. Wound requiring sutures
6. Rape
7. Any unstable vital signs, fast or slow pulse, low or high blood pressure with symptoms
8. Fainting
9. Asthma with exacerbation
10. Visual disturbances or injuries.

In every instance, health services will ensure that all medical information received is maintained in the strictest confidence.

IMMUNIZATION AND PHYSICAL EXAMINATION

Consistent with recommendations by the American College Health Association (ACHA), the Centers for Disease Control, and the Pennsylvania State Department of Health, Lincoln University implemented a mandatory matriculation Immunization and a pre-admission physical examination requirement in September 1999. Vaccine-preventable diseases are occurring at increasing rates nationwide. Much of this has been among the young college-age population. Consequently, Lincoln University adopted this matriculation policy to reduce future outbreaks and to help eradicate preventable diseases.

Requirements

All incoming first-year students and readmitted, international, and transfer students are required to provide proof of immunization for tuberculosis (Mantoux or PPD), tetanus/diphtheria/pertussis (Tdap/DTaP), two dates of measles, mumps, rubella (MMR), meningitis (Menactra), and two dates of varicella (chickenpox). If you do not have two dates for MMR & varicella you must have a positive blood titer report on file. Due to the COVID-19 pandemic, the university is also asking that all students inform Health Services (healthservices@lincoln.edu) of their Vaccine Status upon admission (or contact accessservices@lincoln.edu for directives if they are in need of a religious/medical waiver).

*If you have a positive tuberculosis test, you MUST have a negative chest x-ray report on file.

The immunization and physical examination form is mailed and/or emailed to all new students and must be completed and returned to the health services before the student's registration for the following semester. All students can obtain this form from the health services office or on the health services website.

A physical examination may be scheduled with the health service physician for a fee of \$75.

Some vaccinations are available at the health services department for a fee: Varivax, \$130 each; TB Tuberculosis Vaccine, \$30; Tetanus, \$40; MMR, \$100 each; Meningitis \$200; Hep B, \$80 per injection, \$240 for a total of four that can be given.

Students who are not in compliance with this requirement are unable to register for housing or classes for the semester. A hold is placed on their account; it will only be lifted by health services upon receipt of the required information.

- ❖ **All fees paid are non-refundable**
- ❖ **Student security fees are non-refundable**
- ❖ **Student room fees are non-refundable**

EXEMPTIONS

An individual who objects to immunization upon the grounds that they conflict with his or her bona fide religious beliefs and practices may not be required to present a physician's certificate of immunization to register for classes. A religious exemption may be obtained by submitting the request to the Health Services Department (healthservices@lincoln.edu). This exemption will not apply in case of an emergency or a disease epidemic that is declared by the Pennsylvania Department of Health or the department's designee.

The Infection Control Program helps to reduce the University community's exposure to blood-borne pathogens, such as HBV (Hepatitis B) and HIV (Human Immunodeficiency Virus). Exercise caution when using lavatories, science laboratories, or anywhere that there is a potential to share body fluids. The infection control program is mandated by the federal Occupational Safety and Health Administration (OSHA).

HIV/AIDS

The University does not discriminate against individuals who are HIV-positive or have AIDS. They are to be treated with respect and dignity and are not to be denied any University services due to them based on their HIV or AIDS status. This also includes admission to the University.

There are no restrictions that exclude students from residential housing who are HIV-positive or who have AIDS as protection for others since there is no medical or legal justification to indicate that they can transmit the virus through casual contact.

HIV-infected individuals may have understandable concerns regarding confidentiality and privacy in connection with medical documentation and other information about their condition. Officials who have access to such information are required to maintain the confidentiality of that information. Those given responsibility for making and implementing personnel management decisions involving individuals with AIDS or HIV should strictly observe applicable privacy and confidentiality requirements. No information regarding an individual's health record may be released without their written consent, and such records should be made available only to officials who need to know for appropriate management purposes.

The preceding guidelines are subject to change following any changes or new developments in the three governing factors—medical information, applicable federal and/or state laws, and students' rights to privacy.

LINCOLN UNIVERSITY COUNSELING SERVICES

The Office of Counseling Services delivers culturally sensitive mental health support through individual and group counseling, fostering the emotional and psychological well-being of students within a confidential, secure, and collaborative university environment. The objective is to contribute significantly to personal growth and academic development by providing a safe and supportive space for students to navigate their mental health journey. Additional services include crisis intervention, assessments, consultation, campus outreach activities, and off-campus referrals. Services are confidential and provided at no cost to enrolled students. Lincoln University maintains the confidentiality of identifiable health information per the provisions of the Health Insurance Portability and Accountability Act of 1996 (HIPAA).

LINCOLN UNIVERSITY OFFICE OF RESIDENCE LIFE

The mission in Residence Life is to provide an educationally stimulating living environment where students explore their development and positively contribute to a global society. To accomplish this mission, we have selected an exceptional staff of student leaders and professionals to create a welcoming and respectful residence hall communities. Students are encouraged to take advantage of the countless opportunities we offer in the halls to learn more about themselves, others, and the world in which they live.

COMMANDMENTS OF COMMUNITY LIVING

- If you borrow it, return it.
- If you drop it, pick it up.
- If you spill it, wipe it up.
- If you finish with it, put it away.
- If you break it, fix it.
- If you can't fix it, ask for assistance.
- If it doesn't belong to you, leave it alone.
- If you don't like it done to you, don't do it to others.

FIRE/EMERGENCY PROCEDURES

Before a Fire

- Know the location of all fire alarm pull stations in the building and how to activate them.
- Know the location of all portable fire extinguishers and how to use them.
- Know the location of alternate means of exit.

Upon Discovering a Fire

- Sound the internal fire alarm immediately to alert all residents.
- Notify the Lincoln University Police and Public Safety Department at 484-365-7211.
- Shut all doors and windows near the fire.
- If the fire is small, use fire extinguishers.
- Exit by the stairway from your area. **DO NOT** use elevators.
- Do not run.
- Have someone meet fire authorities and direct them to the proper floor and room.

Upon Hearing the Fire Alarm

When you have been alerted by the alarm, verbal warnings, or sense smoke or fire:

- Keep low to the floor if there is smoke in the room.

- Feel the metal doorknob before opening any doors. If the knob is hot, do not open the door. If it is not, brace yourself against the door, open it slightly. If heat or heavy smoke is present, close the door and stay in the room.
- Do not panic.
- Seal cracks around the door using sheets, pieces of clothing, or whatever is handy if you cannot leave the room. To let out smoke and bring in the fresh air, open windows a few inches at the top and bottom. Then hang an object out the window to attract the fire department or call the Lincoln University Police and Public Safety Department and report that you are trapped. Be sure to give room number, location, and extension number.
- If you can leave the room:
 - Put on your shoes and coat. Use a wet towel (if possible) to cover your face. Close all doors as you exit. Do not lock doors. Go to the designated stairway. DO NOT use an elevator. If the designated exit is blocked by fire, heat, or smoke, go to another exit. If you enter a stairway and find it blocked below you, either go to a higher floor or find a window and signal for help.
- Always try to remain calm.

VALIDATION STICKERS

Validation stickers will be given to each student by their building Area Coordinator at the beginning of each Fall and Spring semester. Students have until the first 2 weeks or by the last day of drop/add of each semester to collect their validation sticker. After that date, students must collect their validation sticker at the Informational Technology Department, located in Dickey Hall 1st floor, with a charge of \$5 added to their student account.

Additional Identifying Stickers: To further identify students on campus, additional stickers are required for students who reside in Apartment Style Living and who commutes to campus. The Area Coordinator of Apartment Style Living will provide the additional sticker (hologram sticker) to each student that resides in that building. A student must remove the identified residence hall sticker if he/she relocates to another building. Commuter students must visit the Informational Technology Department, located in Dickey Hall 1st floor, to receive their commuter sticker. Each semester students will not get a new identifying sticker. A student will only get a new identifying sticker if he/she relocates to Apartment Style Living or if they become a commuter. Damaged or lost identifying stickers cost \$5 to replace.

- ❖ **Student security fees are non-refundable**
- ❖ **Student room fees are non-refundable**

AREA COORDINATORS

Area coordinators are live-in professional staff who support residents, respond to emergencies, and serve as liaisons to various campus offices. They supervise student staff who promote and build community.

COMMUNITY ADVISOR (CA)

A community advisor (CA) is a student staff member who serves as a resource to help you adjust to your home away from home. He/she will be a resource to the services, programs, and policies of the university. CAs are on duty at the front desk Sunday –Saturday from 7 p.m. to midnight.

RESIDENCE HALL COUNCIL

The mission of the Lincoln University Residence Hall Association is to enhance and develop the life of residential students through advocacy, programming, and leadership opportunities, and by providing a place to voice concerns about residence life procedures, policies, and facilities.

All residence hall students automatically become members of their residence hall councils. The councils provide a means of uniting students to facilitate relationships and increase communication. The residence hall councils are used as a venue for planning, developing, and coordinating hall programs and campus-wide programs. They provide a variety of activities and programs. Emphasis is placed on educational, cultural, social, and recreational programs. The councils are governed by an elected slate of student body which includes a president, vice-president, secretary, treasurer, king or queen.

HEALTH AND SAFETY INSPECTIONS

The Area Coordinators (ACs) and Community Advisors (CAs) reserve the right to inspect a room for health and safety reasons. These reasons include, but are not limited to, a complaint by a roommate or residents that the room is unsanitary, that the condition of the room is a fire hazard, or that pests such as roaches or mice are present. The inspection will occur monthly and at the discretion of the Residence Life Staff. During inspections, the resident may or may not be present.

It is the responsibility of the dean of students and director of residence life and/or the residence hall staff to periodically inspect all rooms in the residence halls for damage, fire, and health hazards. Inspections may occur at any time and students will be assessed for room damage. Where two or more students occupy the same room and individual responsibility for damage or loss in the room cannot be ascertained, the cost of damage or loss will be divided and assessed equally among the residents of the room. The University reserves the right of an authorized personnel to observe and remove any unapproved appliances and/or objects in a room.

ROOM CHANGES

Room changes begin after the first three weeks of classes and must be completed by the fourth week of classes. Students requesting room changes must receive written authorization from the RHC before moving any personal items from one room to another. Unauthorized room changes will result in disciplinary action.

The University reserves the right to make room changes when it is deemed in the best interest of the students involved and the University. Students are allowed one room change without charge. Students who move without prior written authorization from the Office of Residence Life will also be assessed a fine.

Students are not allowed to duplicate university keys or add locks to university doors and furnishings. Lost and/or stolen keys can be replaced by reporting them to your AC and/or CA at a cost of \$200.

- ❖ **All fees paid are non-refundable**
- ❖ **Student security fees are non-refundable**
- ❖ **Student room fees are non-refundable**

ROOM VISITATION AND SIGN-IN POLICY

Co-educational inter-visitation hours: All students are governed and must abide by a uniform inter-visitation policy.

Students of the opposite sex may visit each other in their facilities or rooms between the following times:

- Sunday–Saturday from 7pm to 12am.

The inter-visitation policy is not an attempt to monitor your business but is indicative of the University's concern for the safety and security of all residents. To upgrade the security of all residents, the University has a sign-in policy effective in all residence halls. The sign-in procedure is as follows:

- All visitors must enter the residence hall through the front doors only. All other doors are emergency exits only. The use of any other means of entry is considered trespassing and illegal. Sign-in hours begin daily at 7 p.m. in all appropriate residence halls and end at the aforementioned applicable times and days.

- There will be a sign-in desk manned and all student visitors must present and leave validated ID cards. Keys are not accepted as a form of ID and will not be used for the sake of visiting. All non-students who are visiting a residence hall must leave valid identification cards (military ID, driver's license, employment card) at the Lincoln University Police and Public Safety Department office to receive a "guest pass." The host student must meet his or her guest and have him/her sign in at the lobby desk and indicate the time.
- No one will be allowed to visit the residence hall unless there is a host student present to receive that person. Residents are held responsible for the conduct of their guests.
- All residents have the right to privacy; therefore, if the presence of a guest is an inconvenience or is objectionable to a roommate, the guest must leave the room. The cohabitation of any kind is prohibited in the residence halls at any time.
- When possible, announcements will be made 15 minutes and five minutes before the end of visitation hours by authorized personnel on duty at the desk. However, the visitor is responsible for keeping track of the time and leaving at the appropriate hour. All students must familiarize themselves with the inter-visitation policy and sign-in procedures. Violation of this policy and procedure will result in a sanction and disciplinary actions, including suspension.

QUIET HOURS

To enhance the opportunity for study time, the residence halls have quiet hours posted from 12 a.m. to 12 p.m. During quiet hours, room doors should be closed and residents are urged to refrain from making loud noises, playing excessively loud music, and being generally disruptive. Residents and guests are prohibited from congregating in hallways and stairwells. Violators of the quiet-hour policy are subject to a fine and disciplinary action.

PREVENTATIVE MAINTENANCE/PHYSICAL PLANT

The residence life staff works in collaboration with the Office of the Physical Plant to provide quality facilities. During breaks, such as Thanksgiving, Christmas, and summer, physical plant staff makes necessary repairs to maintain the residence halls.

Repairs and Maintenance Request

As a member of a community setting, every student must assume responsibility for the care of common areas. In addition, a resident is responsible for the care of her/his room and its furnishings. Although housekeeping staff clean and care for the common areas in the residence halls, each resident is responsible for assisting with the maintenance and upkeep of each hall which includes, but is not limited to, cleaning up behind oneself as well as encouraging peers to do the same.

All maintenance requests are through the TMA system, which can be accessed at <http://www.lincoln.edu/departments/physical-plant>.

Please note that requests are handled in the order they are received.

If the response time is longer than three days, please follow up with your Area Coordinator unless it is an emergency. Please ask your Area Coordinator if you have questions about the form.

If an emergency should arise after office hours, notify your Area Coordinator or Community Advisor.

Office of the Physical Plant

From time to time, the Office of Residence Life may need to refer broken items to the Office of the Physical Plant for repair. Currently, the physical plant staff handles all electrical, air conditioning, building, water plant, and grounds issues. Because they are responsible for maintaining the entire University, sometimes it may take up to 48 hours or more for them to respond to a referral. Students should not attempt to call the physical plant office directly. For tracking and referral purposes, all calls should go through the Office of Residence Life, via the ACs and CAs, for any authorization to be given for work done by the physical plant staff.

Physical plant personnel will be allowed to enter the students' room to make repairs even if the student is not present.

RESIDENCE HALL KEYS

All University students must carry their Lion Card student ID and residence hall keys at all times. If you misplace or lose your residence hall keys, please notify your resident advisor, resident hall coordinator, or the Office of Residence Life immediately.

Lockouts

Throughout the academic hours of 9 a.m. to 5 p.m., all lockouts will be handled based on the availability of the Community Advisor, Area Coordinator, and/or AC on Duty. Please be advised that all lockout charges are \$10 each time a student is locked out of their assigned assignment and will be billed to their student account.

DISCIPLINARY MATTERS IN STUDENT HOUSING

Minor infractions of University policies, regulations, and guidelines that govern residence life (student housing) will be handled by the Area Coordinator and/or the Director of Residence Life. Major infractions as well as repeated minor infractions will be handled by the dean of students as outlined in the University's Code of Student Conduct.

A complete description of the Office of Residence Life's community standards, policies, and procedures can be found in the Student's Guide to Residential Living on the student success webpage. Residents are expected to adhere to policies, procedures, and guidelines found in the following: (1) Student Housing Contract, (2) Student Handbook, and (3) Student's Guide to Residential Living.

These violations will result in disciplinary action and possible revocation of the housing contract.

Residence hall rooms are furnished and have standard twin size beds, desk, dresser, shades, and blinds. Therefore, furniture from home is prohibited. Also, cinder or cement blocks are prohibited.

Lincoln University strictly prohibits the use of all cooking appliances, microwaves, air conditioners, and space heaters in the student's rooms.

HOUSING CONTRACT TERMS AND CONDITIONS

Housing at Lincoln University is available to all students regardless of race, color, religion, or national origin. The housing contract and assignment are subject to the terms and conditions stated in the student handbook and may be waived only by the director of residence life or a designated representative.

1. To reside on campus, the resident is required to be a full-time student registered for 12 credits.
2. The University Board policy requires all on-campus residents to purchase a meal plan offered by Lincoln University Dining Services. Residents wishing to reduce the meal plan selection (which may go no lower than the minimum meal plan offered) may do so within the first two weeks of each semester prior to the add/drop date. Changes to your meal plan will be reflected on your student account and cannot be adjusted after the add/drop date. **Please be advised that only upperclassmen have the ability to change their meal plan and all first-year students must have the 19 meal plan.**

3. The right of occupancy is restricted to the resident of an assigned space only. Students who are granted a room must occupy it in person. Under no condition may a student transfer his or her right to occupy a residence hall room to anyone else.
4. Room fees for a term cover residence not earlier than the official check-in date for the academic year under the terms and conditions of the Lincoln University insurance policy. Coverage begins on the official check-in date for the academic year and not before.
5. The residence halls will be closed during official University vacations, recess periods, and between semesters (i.e. Thanksgiving, Christmas, summer, etc.). Please be advised that any student who does not adhere to the opening and closing procedures, including late departures, will be fined and subject to further disciplinary referral.
6. Students are responsible for the cleanliness and proper care of their room and its furnishings. Students must use the premises, personal property, and furnishings carefully and properly. At the expiration of the contract period, the student must leave the room in good repair and condition. Assigned occupants of each room are jointly financially responsible for keeping the room and its contents in good order and free from damage by themselves or others. Damages to public/common areas will be prorated to residents of a hall or a specific area of a hall. Damages to public/common areas of a residence hall, graffiti, and defacing property will result in a community fine when the guilty party is not identified. If the guilty party is identified, an individual fine will be assessed. Cleaning equipment can be provided if necessary or available. At checkout time, residents are responsible for removing all personal property, waste, and debris and for leaving their rooms in a reasonably clean condition. The University is not liable for any personal property left behind. Should extra cleaning by housekeeping personnel be required because of poor housekeeping by residents, a maid service charge can be assessed.
7. Students must check out properly in person within 24 hours upon official withdrawal from the University. To check out properly, students must remove all personal property, vacate their room, surrender a room clearance and condition form, room key(s), and student ID to the Office of Residence Life or residence staff in the hall where the student resided. Students must also return all University property to the proper department. Those who do not follow the checkout procedures, including failure to turn in room keys at checkout, will be fined. This checkout process also applies to the end of final examinations week after each fall semester. Please take all valuables home during this time.
8. The University is not liable for loss of or damage to personal property or for the failure or interruption of utilities and/or sanitary drainage. However, the University is liable for the negligence of authorized agents, employees, and representatives of Lincoln University. Each student must purchase personal property insurance before entering Lincoln University to cover personal property.
9. The University does not have storage areas for students' personal property. If a student needs storage, he/she must find a storage area on his or her own.
10. The University reserves the right to have agents and representatives specifically authorized by the president of the University to enter the housing space at any time for inspection, health and safety concerns, maintenance, and repair of living quarters and contents. Inspections are conducted to administer the terms of the housing contract or other University regulations, consistent with the student's constitutional right to be free of unreasonable search and seizure. Specific authority is normally relegated to the Lincoln University Police and Public Safety Department and the vice president of student success. Employees of the University also have the right to enter housing space during reasonable hours to perform necessary maintenance and janitorial services, even if a student is not present. If there is a reason to suspect a resident is using controlled substances, the University reserves the right to have officials search the room and confiscate the substances. Persons found to be trafficking in illegal substances will be subject to disciplinary actions up to expulsion.

11. The University reserves the right to change or cancel assignments in the interest of order, health, discipline, reasons of economy, when vacancies occur, or for any other urgent reason.
12. Any student who has been found responsible for any infractions during the academic year or summer programs will not be allowed to reside in Apartment Style living (ASL) for the following semester, regardless of if you have completed your appointed sanctions.
13. Any student who currently resides in Apartment Style living (ASL) and has been found responsible for any policy violations or infractions throughout the academic year and summer jobs or programs, will not be able to return to the same room for the following academic year and may be removed from their current assignment based on the severity of the policy violation.

LINCOLN UNIVERSITY CLUBS AND STUDENT ORGANIZATIONS

GENERAL INFORMATION

All clubs must complete the application process to be considered a recognized organization by the university. Organizations will be evaluated on a semester basis and must abide by the policies of the Office of Student Life and Development and the institution to maintain their privileges. Programming limits based on active, probationary or inactive status will be outlined in an approval letter by Student Life and Development. Organizations and clubs must reapply every spring semester in preparation for the upcoming school year. Students may choose from over 50 student organizations and clubs, including but not limited to those whose focuses are academic, cultural, and advocacy. Additionally, any student may create a new student organization to serve a particular niche, provided there is an identified interest and a like-organization does not exist, and a qualifying advisor has agreed to support the organization past the petitioning process.

A Club is a group that is closely tied to a department on campus and has the oversight of that department rather than oversight by Student Life and Development. It is often a department member's responsibility to advise the group. Often, funding comes from the department to support the group's initiatives. Clubs must register with the Office of Student Life and Development for record-keeping. They do not have to go through the organization application process, nor are they required to have a constitution, unless decided by their department. Any programming limits will be outlined in an approval letter from Student Life and Development. Astra submissions, event approvals, and associated club business will be the responsibility of the overseeing department.

A Registered Student Organization (RSO) is a group of Lincoln University Students who unite to promote a purpose that is not specifically regulated by a department and is recognized by the Office of Student Life and Development. RSO's at Lincoln University must comply with all university policies in order to gain and maintain active status. Because the management of the organization is intended to be a student learning experience, the day-to-day functions of the organization are carried out by student members, although organizations must contract with an advisor. The advisor may or may not have an affiliation with the group, is chosen by organization members, and has agreed to participate. Lincoln University is committed to equality of educational opportunity in compliance with applicable federal, state, and local laws. Registered Student Organizations are required to register annually through the Office of Student Life & Development to maintain their privileges of utilizing space and other resources offered by the university. Organizations are given a status of active, probations or inactive, based on their completion of pre-outlined requirements. Their status will be communicated and updated on a semester basis by the Office of Student Life and Development. Please see the Student Organization Manual for more details.

No club or organization may not discriminate on the basis of age, gender, gender expression, sexual orientation, religion, race, color, national or ethnic origin, disability, veteran, or marital status.

A student initiating a club and/or organization or holding an officer position with a recognized club or organization must have a cumulative grade point average of at least 2.5 to be considered for recognition or to keep the club on the active organization list. The co-curricular departmental clubs, social organizations, religious organizations, and recreational activities currently active at the university are as follows;

- **CLASS ORGANIZATIONS:** Organizations designed to advocate and host programming for and on behalf of their academic class
- **DEPARTMENTAL CLUBS:** Clubs and organizations rooted academia with attention to particular career fields and academic backgrounds.

- **GREEK ORGANIZATION & SOCIAL FELLOWSHIPS:** These organizations that have chapters at Lincoln University were founded on various principles including but not limited to: Brotherhood/Sisterhood, Manhood/Womanhood, Scholarship, Cultural Consciousness, Community Service, Community Awareness, Academic Excellence, Achievement and Leadership. These organizations continue to serve Lincoln University, the surrounding community, and the world at large through service projects, academic and social activities, scholarships, etc.
- **HONOR SOCIETIES:** Honor Societies are organizations for like-minded students that connect students within particular majors, offer scholarships, and help build student resumes and leadership opportunities.
- **RELIGIOUS ORGANIZATIONS:** Religious Organizations are groups of students that have common ideologies and beliefs. They fellowship and provide a space for students to express themselves.
- **SPECIAL INTEREST GROUPS:** Groups of students with shared interest in a particular niche or area are considered “special interest”. Those interests include but are not limited to: performance/dance, modeling, advocacy and community service, etc.
- **SOCIAL & MENTORING CLUBS/ORGANIZATIONS:** Clubs and organizations dedicated to helping students acclimate to college life and enhancing the student experience.

If you are unable to find a student organization that does not currently exist or fit your interest, the Office of Student Life and Development and our staff members can assist you with the process of finding one and/or starting your own.

Therefore, students who are interested in participating in Greek or Social Fellowship organization are expected to meet and maintain the following university standards to be considered eligible for membership intake:

1. Each Greek and Social Fellowship organization members and prospective members must attend the mandatory Anti-Hazing workshop, otherwise known as the “Campus Wide” that is sponsored by Office of Student Life and Development prior to the organization conducting membership intake. Two will be held per academic year, prospective members are only required to attend one.

3. Only full-time students who are registered at Lincoln University during the fall and spring semesters of the academic year may participate in the intake process.
4. Each student must have a cumulative grade point average of 2.5 or higher to be considered for membership into a Greek or Social Fellowship and to become a member of said organization. For transfer students this refers to the combined GPA (Lincoln University plus all transfer credits.) No student will be considered for membership until his/her grade point average has been certified by the Office of the Registrar.

Students can be granted clearance for disciplinary sanctions when all fines have been paid in full, probationary or community service requirements have been met as determined by the Office of Student Conduct. The violations that prevent students from participating in Membership Intake Process are: weapons and violent natured offenses pending judicial responsibility.
9. If a potential new member is found responsible for a policy violation which resulted in a judicial one academic year before or during the new Membership Intake process, they will no longer be cleared judicially by the Office of the Dean of Students and therefore, will not be eligible to complete new membership intake for that semester.

Potential candidates are expected to maintain all of the above requirements when seeking to participate and during a membership intake cycle. Failure to do so will forfeit an individual’s participation in membership intake.

All potential candidates will be submitted on one list with the original going to the Office of Student Life and Development and a copy to the advisor. No student can be considered for membership before receiving written permission from the Office of Student Life and Development.

Please note that these requirements are specific to Lincoln University of Pennsylvania. Greek and Social Fellowship organizations reserve the right to impose other specific requirements as they relate to the national organization(s).

The membership intake process shall only take place in the spring semester. Dates will be provided to the organizations by the Office of Student Life and Development.

ORGANIZATIONAL AUXILIARIES

No auxiliaries are recognized by Lincoln University in any form, including any auxiliary that is recognized by a national organization. Any individuals found to violate this policy are subject to sanctions including, but limited to, exclusion from membership into a nationally chartered organization.

Organizational auxiliaries are defined as male or female groups that exist to assist in the provision of programming or membership intake activities by a specific fraternity, sorority, or social fellowship. Initiation into these groups is generally characterized by physical abuse, psychological humiliation, and trauma, and financial, and sometimes sexual, exploitation. Sanctions for the organizations and individuals may include but are not limited to: fines, probation, and suspension, pending the outcome of the investigation.

If you are unable to find a student organization that does not currently exist or fit your interest, the Office of Student Life and Development and our staff members can assist you with the process of finding one and/or starting your own.

Failure to comply with any of the above requirements may result in loss of membership intake privileges, suspension of the organization and/or judicial action by the Office of Student Life and Development, the Office of Student Conduct and/or National Headquarters.

NEW CLUB POLICY

Groups of students with common interest who wish to request recognition as a student organization may draw up a constitution stating the purpose and other matters of organizations for the proposed groups. The proposed constitution must be signed by the interested students, accompanied by a letter from university faculty/staff who is willing to serve as advisement to the group, and submitted to the Office of Student Life and Development. The proposed organization must receive final approval from the Student Life Coordinator. Students seeking to establish a new organization should verify that the proposed organization does not already exist and that it meets the necessary criteria by answering the following questions:

- Does the proposed group support and advance the University Mission Statement?
- Does the proposed organization meet a need or fill a niche not currently met or filled by a college registered organization?
- Is the proposed group and/or its student leaders in good standing with the University and free from judicial sanctions?

All student groups looking to become a recognized organization must complete the following requirements:

5. Decisions regarding approval and disapproval are processed by the Office of Student Life and Development within 15 days after the registration window closes.
6. Religious Organizations must be approved through the University Chaplain who will make the recommendation for approval or disapproval of the request.
7. The petitioning organization will be notified by the Office of Student Life and Development of the decision made in respect to their status and subsequent actions in an approval letter.
8. Attend New Organization Orientation and Training as well as development workshops hosted by the Office of Student Life and Development.

New Organization petitions must be submitted within this window:

- November 1-December 1
- May 1-June 1

Required Documentation includes, but is not limited to:

- Organizations Classification
- Members and officers
- Constitution and bylaws
- Semester Plan/program outline

STUDENT ORGANIZATION POLICIES, PROCEDURES, AND PRACTICES

There are a variety of spaces on the University City campus for departments, colleges, schools and recognized student organizations to host events such as meetings, lectures, workshops, receptions and concerts. Registered Student Organizations have the right and privilege to reserve event spaces that are available for use. Individual students may not reserve space for personal or commercial purposes unless given written permission by the Office of Student Life and Development.

All persons, programs, and attractions sponsored by student organizations on-campus must be approved and registered with the Office of Student Life and Development. Only approved and registered clubs and organizations will be allowed to submit Event Proposal Forms and secure room reservations.

By submitting an Event Proposal form, organizations agree to compliance with the regulations of the building the event will be hosted in.

All student organizations must submit an Event Proposal form 14 days (2 weeks) prior to any event in order to ensure timely processing, confirmation of availability, and any costs associated with the production of the event. Once the Event Proposal form is received the organization will receive an email from the Office of Student Life and Development with confirmation or denial of the event within 72 hours. Events that are submitted to Astra prior to being approved will be deleted and/or canceled

All events hosted by a student organization are required to be approved by Student Life and Development and have the support of the organization's advisor. To prevent overwhelming scheduling conflict, and promote student leadership, organizations within the Office of Student Life and Development will adhere to the following "Stoplight" policy:

- **RED LIGHT:** Large events that expect a crowd of 65 students or more must have an advisor present.
 - Examples include: Events located in the ICC or Wellness Gym/Cafe (i.e. fashion shows, pageants, parties, etc.)
- **YELLOW LIGHT:** Events that may or may not draw a large crowd. Events that expect between 30-60 students are advised to have an advisor present but not required.
 - Examples include: SUB Theater, Mock Trial Room, rooms with machinery/equipment (i.e. hot seats, movie nights, poetry slams, etc.)
- **GREEN LIGHT:** Events that are expecting to draw a crowd of 30 people or less do not require advisors' presence at the event.
 - Examples include: Events located in classrooms or dance rooms, (i.e. Interest Meetings, General Body Meetings, Studying events, etc.)

All event approvals and necessary protocols will be communicated via email from the Office of Student Life and Development in accordance with our protocols outlined in the Student Organization Manual. Events and approvals may be subject to circumstantial protocol and procedure as deemed necessary by the Office of Student Life and Development and the Office of Public Safety.

Cancellation of any event by a student organization must be received by the Office of Student Life and Development 72 hours prior to the event. Failure to properly cancel a reservation can result in forfeiture of any deposits made, suspension and/or termination of the right to request and reserve spaces, and/or full charge or loss of refund of all preparation costs for such an event. Rescheduling must be done a minimum of seven (7) days or one week notice from the proposed event date. Anything less than seven (7) days' notice will require a new submission form.

Failure to comply with the event and/or advisor policies can result in cancellation of practices and/or events hosted by an organization, meetings with mandatory personnel with the possibility of revocation of privileges and/or the right to request and reserve space or the probation/revocation of active status for an organization. The Office of Student Life and Development may, at any time, reassign or cancel student programs or events due to unforeseen or uncontrollable circumstances. The space reserved must be used for other purposes in the best interest of the institution, individuals, or such reservation is deemed outside of the overall university mission and goal.

Event Restrictions

There will be a limit placed on the event/programs per day sponsored by student organizations as deemed necessary by the Office of Student Life and Development. This will assist in ensuring that programs are well attended and planning efforts are not in vain. The Office of Student Life and Development will monitor the schedule of events based on the time, date, and purpose for which they are submitted.

No events that resemble auctioning individuals will be tolerated at all.

Social events that extend beyond 12 a.m. must be held on Friday or Saturday only, unless otherwise approved by the Office of Student Life and Development.

Blackout days are dates when no student organization programs will be allowed in the effort to increase support for other departments, events, or when campus is closed. Blackout days will be communicated by the Office of Student Life and Development.

Student Organizations are only permitted to host one party per semester. This includes parties hosted in collaboration with other RSO's, departments, SGA and/or class boards, unless otherwise approved by the Office of Student Life and Development.

The Office of Student Life and Development prohibits events and programs that consist of indecent exposure, indecent acts, physical or psychological abuse, verbal abuse or threat or harm. Events or programs that are not in alignment with the proposal submitted or promote any of the previously listed, will result in sanction(s) and/or consequences in accordance with the Office of Student Life and Development.

Academic classes take priority in the scheduling of spaces. Specific questions regarding policies/procedures for student organizations reservation of events may be addressed by the Office of Student Life and Development. Non-university organizations may request use of university space at any time; however, the request can only be made through the Special Events and Conferences Manager.

Failure to properly and accurately reschedule, classify and/or submit required information for an event will result in its immediate cancellation.

The Office of Student Life and Development will communicate reasons, resources and alternative options for the organization in the event a student program is denied. Student events may be denied for reasons including, but not limited to:

- Space Availability
- Community Safety Concerns
- Capacity of the Space Requested
- Promotion of an Unapproved Event
- Advisors Availability and/or Approval

Due to the limited time and space availability: Registered Student Organizations are only permitted to host one party per semester. This includes parties hosted in collaboration with other RSO's, departments, SGA and/or class boards.

STUDENT GATHERING PROTOCOL

As a result of a collaborative effort between SGA ,the Office of Student Life and Development, and the Office of Public Safety. The University has designated several approved locations for students to gather; PLEASE remember that all of the policies within the student handbook are still in effect.

- Top Of The U
- Wellness Patio
- Soccer Fields
- LLC Basketball Courts

The above locations were chosen as a result of their distance from residence halls which will alleviate any issues with disturbing student rest or study time.

Amplified Music utilizing speakers outdoors is allowable until 11:00 p.m, in keeping with the University quiet hours and Chester County noise ordinances

Per University rules, smoking is prohibited in all buildings and violations of this rule will be assessed a \$200 fine.

It must be stated that marijuana is NOT legal in the state of Pennsylvania and possession and/ or consumption of any amounts of the substances is in violation of state law and the University Law

Additionally, a point person needs to be designated who will notify the Office of Public Safety and/or the Office of Student Life and Development that the gathering is taking place. At the end of each gathering, the point person is responsible for coordinating clean-up. Understand that large gatherings are governed and subject to approval by the Office of Student Life and Development's rules and regulations and should be sanctioned through that office. We are happy to support our students' desire to create community and develop a sense of belonging. However, abuse of the privilege will result in a review of this policy.

These protocols have been developed to create an established understanding for both students and public safety to ensure the community is on one accord

The Office of Student Life and Development may, at any time, reassign or cancel student programs or events due to unforeseen or uncontrollable circumstances. The space reserved must be used for other purposes in the best interest of the institution, individuals, or such reservation is deemed outside of the overall university mission and goal.

STUDENT GROUPS AND ORGANIZATIONS CODE

Students and Registered Student Organizations are expected to familiarize themselves with and adhere to the policies and guidelines of their affiliated office. Failure to adhere to the policies and guidelines may result in disciplinary action under the Club and Organization Manual and/or the Lincoln University Student Handbook in addition to any action taken by the affiliated office.

Lincoln University has established the following Student Organization Code of Conduct to ensure that all student organization officers and members understand and accept responsibility for the actions of themselves, their members and guests.

Members of student organizations are expected to be good citizens and to engage in responsible behaviors that reflect well upon their student organization and university; to be civil to one another and to others in the campus community; and to contribute positively to student and university life.

A student group or organization and its officers may be held responsible collectively and individually for violations of this code when the actions of those associated with the group or organization have received the consent or encouragement of the group or organization, or the group's or organization's leaders or officers.

The Office of Student Life and Development and the Office of Student Conduct will exercise joint jurisdiction over recognized student organizations and member conduct, including fraternities, sororities and social fellowship organizations. Action by the Office of Student Life and Development does not preclude action by National Councils, or other governing bodies.

Sanctions for the conduct listed below may be imposed on student organizations found responsible for violating the Student Organization Code of Conduct. Sanctions may include actions such as withdrawal of recognition, suspension of recognition for a specified period of time, probation (warning that might lead to a more severe sanction), restriction of privileges, reprimand, and restitution for losses caused.

Conduct that threatens the safety or security of the campus community, or substantially disrupts the functions or operation of the University, is within the jurisdiction of this Code, regardless of whether it occurs on or off campus. Nothing in this code may conflict with any policies or laws that prohibit disciplinary action against students based on behavior protected by the First Amendment.

The Office of Student Life and Development has responsibility for reviewing cases based on allegations of misconduct. Ordinarily the University will proceed with written complaints but reserves the right to proceed without a written complaint. When the Office of Student Life and Development receives a report of a student organization's alleged misconduct, an investigation will occur, and if warranted, the office will escalate the case to the Office of Student Conduct for further review. In either instance, the president of the student organization will be sent a letter to schedule an informal conference as well as to notify the president of the alleged charges.

The pursuant office administrator will meet with the president of the organization to discuss the allegations. If the organization is found responsible for the alleged misconduct, the president will be issued a sanction. It is the president's right to accept or reject the sanction. If the president believes his/her due process rights have been violated or the informal sanction was too excessive, he/she may submit a written request to the Office of Student Life and Development within five days of the notice of sanctions, to have the case reviewed by the Executive Director of Student Success and/or the Dean of Students. The president of the organization will be notified of the University's final decision within 10 working days.

Hazing is strictly prohibited. See Policy 1.16.

All Student Organizations must be made aware of the consequences for hazing in accordance with the Student Organization Code of Conduct and Student Handbook, including but not limited to:

Organization probation as deemed necessary by the Office of Student Life and Development and the Office of Student Conduct:

- Loss of social privileges including but not limited to: hosting events, conducting intake or hosting meetings
- Separation or removal of individuals or a group from an accused organization
- Suspension or expulsion of the organization from the University
- Loss of Charter of national organizations and student groups
- Legal Action as deemed necessary from University Counsel

The University's hazing letter will be made available on an annual basis. Recognized student organizations have an obligation to protect the welfare of their prospective, initiated members, guests, and the University during activities. Every precaution must be taken to protect the university, individual and organizational liability. All clubs and organizations are responsible for understanding the university policy on Hazing.

Any organization, including a Greek Organization or its member(s), expelled from Lincoln University of Pennsylvania and/or their respective organization, is not allowed to wear paraphernalia bearing the name, insignia, or other identifying characteristics of the organization. Expelled parties will not be allowed to participate in activities such as Step Shows, Community Stage, Competitions, Coronation, etc.

For any additional information on protocols, procedure and regulation for Registered Student organizations, please consult the Student Organization Manual here: [Student Organization Manual 24-25 Edition](#)

The ability to be part of a club or organization at Lincoln University is a privilege and should be treated as such. If it is brought to the attention of the University your club or organization may be involved in activities that violate the Student Handbook or Pennsylvania State Law, your club or organization may be suspended in addition to investigation of the alleged violations conducted by University staff.
