Dear Mr. Gravley:

Please accept the following as the requested response to your letter dated May 12, 2026. Thank you for your attention to this matter.

Point Park University does not apply viewpoint or ideological standards when evaluating student organizations, and we believe that student organization recognition should be conducted through clear, consistently applied, and viewpoint-neutral standards.

The Point Park University Student Government Association (SGA) is an independent student organization. The University intends to work with SGA to educate its leadership on the University's recognition standards and deliberative expectations. We encourage SGA to revisit this matter should a current student interested in forming a Turning Point USA Chapter at Point Park University choose to resubmit an application for recognition.

Justin Delecki

Vice President of Legal Affairs & General Counsel
