Re: Charges Committee Findings

I have received the report of the Charges Committee regarding charges brought against you. The Committee did not find probable cause to undertake disciplinary action in this matter.

I have accepted the findings of the Charges Committee. Accordingly, this matter is now terminated.

Under the Campus Procedures for Enforcement of the Faculty Code of Conduct, "the complainant and/or faculty member complained against may request, in writing, from the Charges Officer, a summary of the Committee's findings." If you would like such a summary, please make such a request to Prof. Scharleman, the Charges Officer.
