Dear Daphne M Wilson, Mark Jeter, Evelyn L. Hunter;

We the Student Government Association of the Milwaukee School of Engineering do have the following issues with your submitted constitution for the RJCF:

1. We will not allow for any form of discrimination based on any class which is protected by the statues for the State of Wisconsin, by the University Policies of The Milwaukee School of Engineering, or any other regulatory body who holds jurisdiction over us. Namely, article 5 section A of the by-laws, in which there is required discrimination based on sexual preference, we will not allow.
2. We believe most of the requirements in article 5 of the by-laws are not quantitative in an enforceable manner and as such cannot be properly disciplined without prejudice or biased.
3. We believe that article 6 of the by-laws does not provide for a fair enforcement policy. This is due to both the punishable offences listed in article 5 of the by-laws and the undefined and non-quantitative repentance system.

Regards,  
The Milwaukee School of Engineering Student Government Association

  
Allen, Ray (President)

  
Stasiniewicz, Adam (Senator)  
(ORC Chairman)

  
Shaw, Chris (Vice President)

Committed to the future.

Wilson - Milw. S. of Engineering
