**BIG NEWS!** Coming this fall.....**The CVCCOneCard!**

This announcement is for curriculum students who plan to attend CVCC this fall (fall 2011 semester).

Beginning this fall semester, CVCC will partner with Higher One®, a financial services company, to bring you a powerful new benefit: **CVCCOneCard**.

Beginning in August, all curriculum students will receive a CVCC branded Debit Mastercard. This new card will serve as your:

- CVCC Student ID card
- CVCC library card
- YMCA membership card (for students enrolled in 7 + credit hours)

This card will also allow more options for you to receive your financial aid disbursements or student refunds. No longer will you have to wait for paper checks to be mailed!

You will have the option to:

- Have your financial aid disbursement or refund directly deposited to any U.S. bank account free of charge
- OR-
- Establish a FDIC-insured checking account through Higher One® in which you can have your financial aid disbursement or refund directly deposited and that enables you to use your CVCCOneCard at millions of locations where Debit MasterCard® is accepted

This means you will have faster, more secure access to your funds, without the hassle of waiting in line at the bank.

Please check your CVCC email regularly over the next few weeks for more information on this new and exciting program!

You do not have permission to give my personal information to a third party. I have never heard of Higher One Bank and I have no desire to do business with them. I find it completely unacceptable that you would send an unsigned email telling me that you are going to release that information.

Call me to discuss this. If this account ever shows up on my credit report as an open account I will hold the school responsible.
